

# SADDLE BUTTE PRESS

## FIREARMS CLASSES HEAT UP

### PRESIDENT'S COLUMN

Greetings fellow members! This month I would like to talk to you about the classes that are being offered at ARPC. We have a list of classes that range from our Range Safety Officer Classes, Oregon Concealed Carry License Classes, Hunter Safety Education classes, Utah Concealed Firearm Classes, a two-day AR-15 Boot Camp class, NRA Basic Pistol Classes, Basic Pistol 101 for Women and a Basic Pistol 201 for Women. We will also be offering a Basic Single Stage Rifle and Pistol Reloading class. So take advantage of what is being offered at ARPC. Watch the calendar for dates, times and contact the appropriate instructor or call or email the office for further information.

Steve Shippey  
President

### DELINQUENT MEMBERS

Members who did not renew their membership by the end of April have had their gate cards turned off and do not have legal access to the club as a member in good standing. The office will be sending out notices to all delinquent members reminding them that they can still renew their membership and obtain access to the club by calling the office or mailing in their dues. There is no penalty, other than not having access to the club, for late renewals.

The club has tried to make renewal as easy as possible. You can call the office (541-491-3755) and pay your dues via credit card, drop payment by the office any day Monday thru Friday or pay by mail (P.O. Box 727, Albany, 97321).

### MACHINE GUN SHOOT

Thank you to all the volunteers who helped with the Saddle Butte Machine Gun shoot. This event keeps getting bigger and better every year with the help of the 90 plus volunteers that make it happen. Again a big "Thank You" and we hope to see again next year.

*Machine Gun Shoot Committee.*

### CLUB CALENDAR

In an attempt to make the club calendar smaller and easier to print we tried to put some of the day information in the background. This is a

purchased program and thus has limited options on format. The club office is continually updating the calendar and trying to make it more user friendly. If you are looking at the calendar online and want more information about a particular event, just put your cursor on the event and click. It should show you another window with additional information about that event.

### GUN SHOW NEWS

Here is the latest news from the ARPC Gun Show committee. First, Rich Larrow, Gun Show Co-Committee chair, is still recovering from a serious bicycle accident that happened a few weeks ago. We don't know too much about his recovery but wish him the best.

Second, Debi Parker, Gun Show Volunteer coordinator is resigning from that position after 22 gun shows. Debi has worked very hard over the last 11-12 years to build a good base of volunteers for each show. Those members who volunteer continue to make our gun shows safe and enjoyable for both vendors and attendees. It is going to be hard to replace Debi and we thank her for the countless number of hours she has put in both during the show and behind the scene. Those members who want to volunteer to work the next ARPC Gun Show on September 24th (set-up), 25th, and 26th should contact the club office and talk to Carol (541-491-3755). Any members who want to help with the Gun Show committee can contact Gerry Tsupros at gtsupros@peak.org or call the ARPC club office. The committee meets two or three times between each ARPC Gun Show to correct current problems and put together plans to make our gun show the best it can be.

Third, the next ARPC Gun Show is September 25th and 26th. Pass the word about this gun show to all of your friends and neighbors. It has become one of the largest gun shows in the state and one of the best, not to mention that it raises a good amount of money for the club. Remember ARPC club members do not have to pay an admission fee to get into the shows; it is part of your club benefits. Attendees who come to the show on Saturday can return on Sunday without paying admission.

### ARPC OFFICE & PRO SHOP

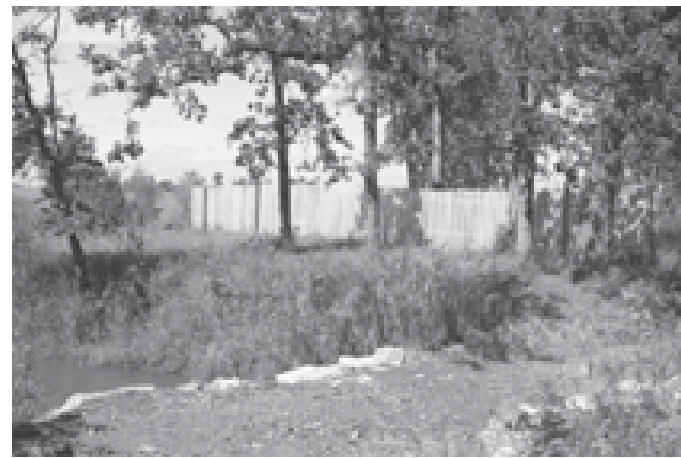

Have you noticed the new construction at the north end of the main range where the club garages were located? This area, when finished, will include the club office and ARPC Pro Shop. The office and Pro Shop will be open Monday thru Saturday 8am to 5pm. The Pro Shop will

continue to support members' needs by providing regular and hard-to-find items related to recreational shooting.

Please watch for a Pro Shop Grand Opening later this summer when the facility is finished.

### ARCHERY AREA

Yes, the ARPC Archery Area is almost finished at the club. When finished it will include a 14 position 3D archery walk open to members/guests and a 15 to 60 yard sight-in range. Boyd Koehler, a Hoyt factory archer, has been working with ARPC staff to lay out and build the archery range.

The 3D range will include targets of most North American hunting animals ranging in size from turkeys to bull elk. Special instruction are posted at the beginning of the 3D walk and include rules that prohibit broad head arrows and range finders on the range. Each shooting position is marked along the "one way" path through the 3D walk. A suggested donation of \$5 is requested at the beginning of the course to help defer the cost of replacing 3D targets and centers.

The sight-in range will consist of four target butts set at pre-measured distances. It is located south of the gravel parking area along the west side of the irrigation ditch.

No specific opening date has been set for the archery range at this time. We want to make sure everything is ready, safe and complete before allowing archers on the range. Signs have been ordered and the sight-in range target butts will arrive soon. Most of the construction work has been completed and we are very close to opening the range.

### RANGE RULE UPDATES

The club range rules have been updated and are available on the club website, posted in the main range clubhouse and on all shooting ranges except the east range. Please take some time to read through these rules. 6214

Bays 8 through 12 are open for member use and will soon have noise reduction structures added to them. Until the parking area below the bays opens up you can drive up to these bays and unload your shooting equipment but you must park at the gravel turn around next to bay 7. No vehicle parking is allowed next to bays 8 through 12.

### WELCOME NEW MEMBERS

Shawn Clark, Benjamin Sell, Abraham Griswold, Jeremy Jewell, Justin Carley, Ormond R. Galvin, Roger Wilson, Scott Ashford, George S. Cronk Jr, Luther MacLean, Toby Bottorff, Edward Spencer, Jonathon Spencer, Lyal Shoff, Jason Morris, Nicholas Clair, David Leslie, Philip Willette, Ed Zumstein, Kelly Kozisek, Nicholas Scherer,

## CONCEALED CARRY

Do you carry a concealed handgun? Do you have an Oregon concealed handgun license? DO YOU PRACTICE WITH YOUR CONCEALED HANDGUN? No, I don't mean shooting at targets from behind the shooting bench, I mean realistic drawing and shooting from concealed carry position with your heart thumping and 20 people watching what you are doing.

Okay, be honest. I bet you don't practice at all with your carry gun. Would you like to and at no cost, even if you are not a club member? Defensive Handgun has moved its monthly exercise to the second Wednesday evening (6pm) of each month. This is not a competition. It is an organized practice session for those who carry concealed and want to be as accurate as possible with their carry guns. Go to the ARPC website, click on "sports/defensive handgun" and then click on the free workbook located just below the header. Bring that workbook with you Wednesday evening because we will be picking out five different exercises each month.

We are meeting on Wednesday evenings, because it is available and is not another weekend event. Additionally, as day length gets shorter, Defensive Handgun will be taking place in the dark. Wow, practicing and shooting at night, what a novel idea.

## WOMEN'S PISTOL CLASS

August 29th, 2-5pm, and September 18th, 9am-12pm are the dates and times for Basic Pistol for Women 101. October 16th, 9am-12pm is the date and time for Pistol Competition for Women 201.

Basic Pistol for Women 101 is an introductory class that covers safety, basic handgun fundamentals and handgun shooting techniques. This class is a closed training class open to women only; sorry no observers. You must pre-register (\$20), own your own firearm, holster, safety glasses, ear protection and bring at least 200 rounds of ammunition. Any caliber or type of handgun is allowed and holsters must cover the trigger. Please be prepared for any type of weather and bring plenty of snacks and water.

Basic Pistol Competition for Women 201 is an introductory class that introduces women to competitive shooting sports such as action pistol, steel challenge, bowling pins, ICORE, and GSSF. This class is a closed training class open to women only; sorry no observers. Women registered for this class must have taken Basic Pistol for Women 101 or have permission from the instructor before taking 201. Cost for this class is \$20. Please be prepared for any type of weather and bring plenty of snacks and water.

Both classes are limited to the first 24 registrants. All classes are always open to members and non-members. Please call the ARPC club office (541-491-3755) if you have questions.

## HUNTERS' SIGHT-IN DAYS

How many hunters have missed elk like the one mounted in our clubhouse or deer because their rifle was not sighted-in properly? Or worse yet, how many animals suffered from a poor shot that didn't kill them swiftly?

Albany Rifle and Pistol Club is expanding our "Hunters' Sight-In Days" this year to three weekends; September 11th,12th,18th,19th,25th and 26th to help more hunters sight-in their firearms. We will be expanding the advertising and reaching out to hunters with the message about making sure their rifles are sighted-in correctly and ready to go for hunting season.

With this expanded effort we will need your help to make sure we can handle the expected increase in sight-ins. Please call the club office 541-491-3755 and get your name on the help list for this event even if you can work only one day or one weekend. As we get closer to the actual dates we will have more information about the schedule.

## STATE GAMES OF OREGON

STATE GAMES OF OREGON are coming to ARPC, July 17 and 18. There will be a 160-shot Outdoor Smallbore Prone Match on Saturday, July 17 at 50 meters and 50 and 100 yards. The Trap Match also takes place the same day and will consist of shooting 50 clay birds. The .22 Rimfire Sporter Match on Sunday, July 18 is 25 and 50 yards. Shoot one or all events for a \$25.00 entry fee. Awards are by age group. What a fun way to spend the day!

Please call Don Arnold for the Trap Match at 541-491-1014, Barbara Shew for the Prone Match at 541-451-2047 or Nelson Shew for Rimfire Sporter at 541-451-2047 for answers to questions. You can sign up on the day of the match or pre-register at [www.stategamesoforegon.org](http://www.stategamesoforegon.org) and we will have a t-shirt waiting for you. See You At The Games!! 18334

Barbara Shew

## JUNIOR OLYMPICS

Ben Roth, 16, will be going to Anniston, Alabama in July to participate in the Junior Olympics in Sporter Air Rifle.

The CMP and the ARPC Rifle Team thank all those who bought tickets to help with the trip. Four knives and two hats from GERBER, and a tee shirt from COBRAY MAC 10, sponsored a raffle held during the Machine Gun Shoot on May 15. Again, Thanks!

Barbara Shew  
Coach

## WANTED: OLD FIREARMS

The main range clubhouse remodel project is nearing completion and we are looking for some old firearms to display along with our wildlife mounts. If you have an old gun that you would like to see up on the wall please give the club office a call at 541-491-3755. Brass plaques will be used to describe the firearm and give recognition to the donors.

## PRIMERS ARE AVAILABLE

We have received our shipment of CCI primers and they are available in the club Pro Shop. The Pro Shop has small pistol, large pistol, small rifle and large rifle primers at \$30 per thousand with a limit of one thousand primers of each size per week. Please call the club office at 541-491-3755 to make sure someone is around to sell these primers to you.

## BLACK POWDER SHOOTERS

There's a BANG, copious amounts of gun smoke, and sometimes a distant clanger ringing. That is the common sequence experienced at ARPC's "Thundersticks of Saddle Butte." The "Black Powder" shooters meet every first Sunday of the month to enjoy marksmanship,

## THANK YOU SADDLE BUTTE PRESS

This is the last issue of the Saddle Butte Press. It has served our membership well over the years but like other improvements to the club, its time has come to a close. A good newsletter is important for any membership club because it is the primary communication tool between the leadership of the club and its membership. The question here is how do we deliver it to the ARPC membership and trim costs?

Mailing and printing costs have risen over the years to a point where the leadership of the club needed to make a decision about continuing the current format or changing it to some other format. Over the last 6 months the ARPC Executive Board asked for comments from the membership concerning this issue. The majority of members who responded said, "convert the newsletter to an electronic format, like other organizations and offer a mailed newsletter to those who still need a printed newsletter at a small fee."

The Executive Board made the decision to convert the Saddle Butte newsletter to an electronic format and is offering to send out a printed copy via U.S. Mail at a price that covers the printing and mailing expense. If you still want a printed copy mailed to your home there is a sign up form located in this newsletter. Printed copies of the new newsletter will also be available in the main range clubhouse for members and guests to pick up.

The Executive Board also understands that this decision may not be popular with all of the club membership; at times hard decisions have to be made. Please feel free to contact Steve Shippey, ARPC Club President if you have a concern or comment about this change.

Money saved by converting the newsletter to an electronic format will be used to improve and expand the club's facilities. 17826

Thank you Tony White, newsletter editor, and Skip Hamilton, newsletter formatter, for all of the work they put in on putting together and publishing the Saddle Butte Press.

### CLASSIFIED ADS

ARPC members may publish classified advertisements for items they wish to sell or trade. Please write ads in concise language, 12-point Times New Roman font and email to editor@arpc.info. Include your name and telephone number with hours when you can be reached. Optionally include email address.

**For Sale:** Taurus 1911 AR blue steel in .45 ACP; only 2 mags fired through it; includes case, 2 factory mags, 2 Wilson combat mags, 1 box Golden Saber defense ammo, and approx 1000 rounds practice ammo all for \$800. Call Stuart at 503-949-6877 (daytimes best) or swmcvey@msn.com

DPMS panther bull sweet sixteen AR-15 equipped with 6 position collapsible stock and tactical latch. FM3926T 3x9x28 blue illuminated rifle scope. CMMG .22LR conversion kit for AR-15 with black dog high capacity magazine. Two 30 round DPMS .223 magazines. DPMS rifle case with manual. About 500 rounds .22 LR. Excellent shape. \$975.00 OBO. Will consider selling .22LR conversion kit separate. Ed @ 541-990-2029

**For Sale:** Glock 29 10mm subcompact with 4 magazines (10 round), including Pearce finger extensions. Like new, not in box. \$495. Call Louis Thelen at 541-760-1792 or email at lkthelen2@yahoo.com.

**WANTED:** Glock 23 mint/near new. Call Skip at 740.4000.

camaraderie, and firearms history. If it's a bit brisk, there's a fire in the barrel to keep warm, while jawing about the gun, the shot, or the hit. Then you go back to your rifle or pistol, and load it with powder, patch, and ball.

That is how I spent the first Sunday in May. It has been a long time since I took the ol' Hawkins .54 cal cap and ball muzzle loader off the mantel and dusted her off. She is long and slender with a fiddleback maple stock and a browned 35 inch barrel. As you shoulder the rifle you go back in time to the 1820s and 1830s of the Rocky Mountain fur trappers. Images of Meek, Bridger, or Carson appear in the smoke of your shot.

I only knew one person out of the seven or eight that were there that day. Four of us were new shooters. But talk about a warm welcome by a bunch of mighty fine folk. It seemed like everyone was there to help. The atmosphere was pure relaxation. It took about a nanosecond to feel comfortable with these gentlemen.

Everyone wanted to show off his guns. Norm had a .45 cal Kentucky; Bill was shooting his Brown Bess Musket with a custom .54 cal barrel. Carl was shooting his Lyman .50 cal Great Plains. Glenn's gun really caught my eye. The barrel was from an original 1850 Belgium rifle that had been imported to the South. Glenn's great grandfather Levi found it lying on the ground during a Civil War battle. You could put your ear to that barrel and hear the shriek of cannon balls, the snap of bullets, and the call of a bugle. The original .54 cal barrel was relined and is now .49 cal. As they say, "if only guns could talk."

Ed Eriksen is the head man at the shoot and his goal is to provide a SAFE, fun, relaxed and informative shoot. This is NOT competitive shooting, just FUN shooting at targets that clang when hit. It is also an inexpensive shooting sport. So dust off that ol' muzzle loader, and bring her out for a good time with good people. Between shots enjoy the beauty that surrounds our fabulous range. I know that I'll be back on a regular basis.

So don't be a flash-in-the-pan, grab your flintlock or cap and ball and enjoy your range "lock stock and barrel." Remember this is Oregon so "keep your powder dry." You and your family are invited to our next shoot on the first Sunday of July, the 4th. The shoot starts at 9:30am. Patriot Hot Dogs and appropriate side dishes will be available at the shoot free of charge. So celebrate the 4th of July by shooting a Black Powder rifle or pistol in one hand and a Patriotic Hot Dog in the other.

If you have any questions, feel free to contact Ed. His contact information is on the calendar of events.

### CLUB USE QUESTIONS

The club office has received emails over the last couple of weeks with questions about range use or a member problem at the range. Have you ever had a question about bay use, firearm restrictions or targets when out at the range? The next time you have a question, please, ask! During the week call the office or stop by. On the weekend call Mike or any of the club officers with your questions. Maybe we can make your visit more enjoyable when you get an answer before you leave the range.

## 2010-11 Albany Rifle and Pistol Club Newsletter Form

As you are aware, we have entertained much discussion in the last few months surrounding the high costs associated with the printing and mailing of our newsletter. Therefore, based on club member's comments, we have decided to proceed with an electronic newsletter beginning August 1, 2010.

In order to continue to receive a printed newsletter, the annual fee is \$12.00 per fiscal year; hence we have prorated the amount for this year. Subsequent newsletter fees will be collected with the annual renewal. Please fill out and mail the form accompanied with your payment to the address below.

**To receive a printed newsletter:**

Fill out the lower part of this letter, attach a check or fill out the credit card portion of the form, insert it in a stamped envelope and mail to: **ARPC, P.O. Box 727, Albany, OR, 97321**. You can also drop off your newsletter form at the office.

**If your email address has changed:**

Please call the office or fill out and mail the form below to confirm that we have your correct address.

For any questions, call the club office, 541-491-3755 or email office@arpc.info.

Check the line that applies:

I would like to continue to receive a printed newsletter and have it mailed to me for the prorated amount. \$ 8.00

I would like to continue to have my newsletter electronically sent to me at the email address below.
