Last Chance to Win!

May 6th is the deadline to get your reservation in for the 2011 Friends of NRA Banquet, Springhill County Club in North Albany, and automatically be entered to win the Springfield 1911 Single Stack 45. Persons who purchase a ticket prior to May 4th are given an additional

ticket to win this beautiful handgun. So don't delay! Even if you don't win the 'Early Bird' 1911 you will have a fantastic dinner and the opportunity to win other prizes. It is estimated that 13 firearms will have new owners by the end of the night. Seating is limited to the first 160 people.

Go to [Friends of NRA Merchandise Package](#) to see the merchandise for this year's banquet. And, it doesn't stop there. We have added more items, including firearms, to this year's banquet. Please help support the 2011 Friends of NRA Mid-Willamette Valley Banquet.

Albany Rifle and Pistol Club is the primary support behind this banquet because we are the largest shooting related industry in the Willamette Valley. Who better to support this worthy event than us? Every year our junior programs benefit from the Friends of NRA and all the money raised goes directly to shooting programs. Call the club office and talk to Carol or Mike about making reservations, 541-491-3755 or 541-619-0038.

Time to Renew Your Membership

IT'S NOT TOO LATE TO RENEW!

For the majority of our members, the annual membership to Albany Rifle and Pistol Club renews April 1. Don't lose your access! Pay your dues by April 30 and you will continue to enjoy our club facilities. For your convenience, you may call the office to renew by credit card.

Welcome New Members

Saddle Butte Machine Gun Shoot

Saddle Butte Machine Gun Shoot!

May 14th & 15th

Probably the largest machine gun shoot on the west coast! Gates open at 8:00 am. Shooting begins at 9:00 am and ends at 4:00 pm. ARPC members have free admission. People from Oregon, Washington, California and Hawaii are expected to attend this year.

Vendors, who own machine guns, allow members of ARPC and the general public to shoot their full auto guns simply by buying the ammunition from them. Last year there were over 100 full auto guns

available to shoot ranging in sizes from .22 caliber to 20mm. This year an original WWII tank with it's .50 caliber machine gun will be featured on Sunday. A variety of active targets are installed including 3 automobiles donated by B&R Auto Wrecking.

Every year we get larger and better and it takes a lot of volunteers to make this a safe and enjoyable event. Don't worry if you have little or no experience with Machine Guns we will teach you everything you will need to know to help out. 44158

Anyone interested in helping, please contact Allen Eriksen at Eriksenor@aol.com (weekends phone # 541-967-4005). Please include you full name, phone number and days volunteering to work.

Main Range Closure

Just an FYI to all members and guests...

Due to the Saddle Butte Machine Gun Shoot with it's set up and tear down requirements, the Main Range will be closed to members and guests from noon on Friday, May 13 through 2PM Monday, May 16 (or until the clean up is completed). 6697 Please call the office for availability prior to coming out to the range to shoot on Monday.

541-491-3755.**

R.I.P. Chronograph

Latin: Requiescat in pace.

English: Rest in peace.

Meaning: A short epitaph wishing eternal rest.

***This is our wish for the CHRONOGRAPH.** All of our attempts to improve and
upgrade the chronograph for member's use have failed... shot, beaten, abused
and dead... again. Therefore, it has been removed from the Main Range. Please
accept our condolences to the few individuals who actually used it properly.*

ABC House Benefit Match

Albany Rifle and Pistol Club is proud to sponsor the

11th Annual ABC House Benefit Shooting Match Saturday, June 18.

In the past ten years of our involvement, the event organizers have raised over \$50,000 for this worthwhile cause!

ABC House is a local child abuse assessment center serving children of Linn and Benton Counties ages newborn to 18 years old. It is a non-profit organization which provides a safe, child friendly environment where children who are suspected of having been abused or neglected can come to receive a neutral, objective, comprehensive assessment. Assessments may include a head to toe medical check up and/or an interview conducted by specially trained and experienced individuals. Families receive support and information to help their children begin the healing process.

Please click on the attached link for an application or for further information
phone Doug Newquist at 541-401-7084.

Five Stand Shotgun Every Tuesday

Five Stand shotgun shooting is now scheduled from 2pm to 6pm every Tuesday afternoon.

Mike McCarter and Jan Hase have offered to run Five Stand on an interim basis to get it back up and running on a regular weekly schedule.

If you are a bird hunter or enjoy shooting at clay birds launched from various positions and angles, this is the sport for you. It doesn't matter how well you shoot clay birds, just give it a try and have some fun. Open to members and non-members every Tuesday afternoon at a special cost of \$3 for a round of 25 birds. If you have any questions about this program or would like to become the director please call the club office at 541-491-3755.

Famous Gun Quotes

Who made this famous gun quote below? Just for fun, find his name hidden in this issue!

"A free people ought not only to be armed and disciplined, but they should have sufficient arms and ammunition to maintain a status of independence from any who might attempt to abuse them, which would include their own government."

ARPC Continues to Grow

If you have been out to the club recently you might have noticed that ARPC's membership is growing at a rapid rate and the club is quite busy. The Executive Board at ARPC wants to make sure, whether you are a Life Member or a New Member, that you have access to them to voice your concerns, questions or compliments about the club. All communications with the Executive Board should be directed to the current club president, Steve Shippey, at President@ARPC.info or 503-851-3158.

No one Executive Board member or staff person can promise to change, implement or modify something at the club (other than an immediate safety issues) without bringing it to the Executive Board for discussion. Changes to the club properties, buildings or policies are decided on by the Executive Board first by making sure it is allowed in the club constitution and second if it is for the overall benefit of the club.

Executive Board meetings are open to the general membership and if you, a club member, want to present a proposal at one of these meetings you must first contact the club office and have it added to the agenda.

Donald Engel Has Left The Range

We lost one of our life members this year, Donald Engel. If you knew him, please accept our condolences and best wishes for his family. He will be missed.

Want to be an Assistant Trap Director?

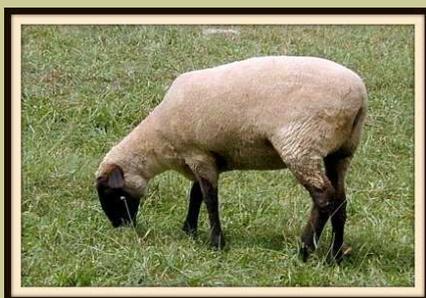

Do you love to shoot trap? Good with people? Like to help out your fellow shooters? Then we have the position for you!

Don Arnold has been the Trap Director for seven years and is looking for someone to assist him with the growing group of trap enthusiasts. This position needs someone who is available Wednesdays from 12PM to 8PM. You don't have to be there every week, just looking for someone willing to help out. If you have any questions or want to help, please call Don at 541-491-1014.

Dead Sheep - We Need Your Help

Just prior to the Easter weekend someone shot and killed a sheep on the property just north of the club. The rancher who farms this land and runs sheep on it contacted the club about the incident. Though he is extremely concerned, as a member of the club he also wanted to make it very clear that he did not blame this shooting on a club member or visitor. The leadership of ARPC is asking anyone with information possibly related to this shooting to contact the club office as soon as possible. It is believed that the shooting took place sometime on Thursday or Friday, April 21st or 22nd.

It is a logical conclusion to assume that someone from the gun club / shooting range might have something to do with an animal found shot to death close to the shooting range. Whatever the outcome, we must get to the bottom of it.

Busy Summer at the Range

Be sure to check the club calendar often to see what is going on. We have added quite a few shooting and reloading classes to the schedule due to member's requests. Most classes have a minimal charge and require pre-registration to attend.

A brand new class, Black Powder Cartridge Reloading is taking place Wednesday evening, May 11th at 7pm, North Range Classroom. Take a look at the club calendar for specifics on this and other upcoming classes.

In addition, there are four large shooting events taking place in May, June, July and August. June 22nd through the 16th Albany Rifle and Pistol Club will host the 29th Annual United States Practical Shooting Associations Area 1 Pistol Championships. This event draws over 300 competitors for 4½ days of handgun shooting and is open to members and the public to watch at no cost. Make sure you bring safety glasses and ear protection to the range to watch the action.

Lost and Found

Our lost and found pile has been growing exponentially. The Executive Board will now hold these items for **three months** before disposing of them as they see fit. If you have lost or misplaced something at the range, please come in to or call the office to pick it up **RIGHT AWAY!**
