Merry Christmas & Happy New Year

The Executive Board and staff at Albany Rifle and Pistol Club would like to wish all club members and their families a Merry Christmas and a Happy New Year.

Remember the club is open, regular hours, 365 days a year including the upcoming holidays.

During the Christmas / New Year break the club is quite busy. Please think of SAFETY before anything else when shooting.

Special note to Range Officers:
If you want to get some work bond time in during the holidays as a Range Officer, contact Chris Glodt (ARPC Chief Instructor) at 503-623-2005 to schedule time at the range. We could use more range officers at the club during these busy times between Christmas and New Years.

Help Wanted

ARPC needs members to help in the following areas; Three people to help conduct New Member Orientations (once a month), four people to help instruct Hunter Education classes to youth (once a month), Range Officers for weekend duty and one or two ladies who are willing to lead the Women's Shooting Sports discipline. We have a large number of ladies who would like to get a shooting group going and have some fun at the range.

Please contact Mike or Carol in the office if you want to check out what's involved in any of the areas. It doesn't take a pro to get involved in these activities, just the desire to help make ARPC a better-safe place to shoot. Step up and ask what it takes to fill one of these needs.

ARPC Facebook Page

I know that not everyone has a Facebook® account nor wants one. However, ARPC does have a Facebook® page, www.facebook.com/go2arpc and it is a great tool to get information out to the membership on upcoming events, pro shop sales and fun things to read (like Mike's sense of humor). Let your fingers do the walking and check it out or just hit the Facebook® symbol on the left and it will take you right there.

Prez Sez

Happy New Year from your new President and hope you all had a Merry Christmas or other holiday befitting this time of year. I am going to have a bit to say in the monthly newsletter as long as time and "honey do" lists don't kill the clock.

Some members have expressed an interest in having monthly meetings. However, I have been attending the quarterly meetings over the last three years and I can count on one hand the meetings that have had enough members present to have a quorum. If we have generated enough interest to have members present to have said quorum, I will make an effort to have monthly meetings. No promise, simply an observation so the board can take monthly meetings under advisement. You're always welcome to attend the monthly Executive Board meetings. 6312 Check the ARPC calendar for location and times.

As President, I feel I have been elected to the position of Chief Steward of our land and club. We are all stewards of ARPC. So, taking care of our club and equipment should be in the forefront of our minds. Since we have daily maintenance sweeps of ARPC, it is rare that will you find anything that's broken or doesn't work. If you do run across an issue, let someone know. Contact the office or your Executive Officer.

I have intentions to visit all of the disciplines and hopefully participate. I will see you all at the ranges.
Don Arnold, President

Editorial Note

Reflecting back on the past year, I would like to take a moment and thank our members and guests for their support of Albany Rifle and Pistol Club.

It's hard to believe that it's already 2012! Our club has some really great events coming up in the first quarter of this new year; Pistol Reloading Classes in January, February & March, Basic Pistol For Women in February, Basic Pistol in March and many, many more. These programs have seen some incredible growth in popularity so get your reservations in early. Let us know if we are not meeting your firearm / shooting / reloading needs. Check the online calendar often at www.arpc.info. for information on sports and classes and mark your calendars for the ARPC Gun Show in March!

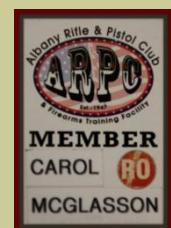

Don't forget that one year ago the membership voted in an increase in the annual fee effective January 2012. Your individual memberships are now \$137 (increased \$2 - up from \$135), family memberships are now \$206 (increased \$3 - up from \$203). Junior memberships remain \$5.

I wish each of you and your families a safe and successful New Year!

Looking forward to seeing you at the range,
Carol McGlasson, Editor & Office Manager

"Oops...I Forgot My Gate Card"

Recently we have seen an increase in the number of members who have come out to the club without their gate cards. ARPC club policy says all people at the club, who are shooting, must have a member's gate card and their visitors must wear a visitor's badge while shooting on our ranges. 26009 Please try to remember your gate card, it is just as important as your gun or ammunition when you come out to the club. There may be times when there is no one in the Pro Shop to let you through the gate.

Saddle Butte Machine Gun Shoot Volunteers Needed

Spring is just around the corner and that means the Saddle Butte Machine Gun Shoot is starting to look for volunteers. This is one of the club's biggest events and draws people from all over the Northwest and beyond. Volunteers are needed to help setup and tear down, work the entrance gate, blow up balloons, sell tee shirts and of course serve as Range Officers. Members who sign up for the weekend of the shoot (May 19th and 20th) BEFORE May 1st, receive a tee shirt. It takes a lot of volunteers to help make this a safe and enjoyable event plus it's a great way to fulfill your work bond hours. If interested in helping, please contact Allen Eriksen

at Eriksenor@aol.com or 541-967-4005 weekends (M-F before 2 pm) or call Carol at the office. Please provide your name, phone number, the dates and times you are available to help and your tee shirt size (before May 1st). Check out the event on Facebook under "Saddle Butte Machine Gun Shoot".

Member Record Update

Please make sure your contact information on file at ARPC is up to date, especially if you have moved, changed phone numbers or email addresses over the last year or two. We want to thank those members who attended the ARPC Annual Meeting in November and filled in their current contact information. Call the club office to update or verify your contact information.

What's New in The Pro Shop?

We continue to bring in a few new things each month based on special requests from our club members. Here is a short list of what's new in the Pro Shop:

.44 Magnum new brass and bullets in a 50 round box, just add primer and powder, \$23 a box.

.223 New Lake City brass and Berry's 55gr. FMJBT, 100 box, just add primer and powder, \$48 a box.

Metal target stands are back in stock (thanks Chris)!! \$15 each.

Bulk 9mm, 40cal. and .223 brass in stock, 500 bag, call for prices.

Mech-Tech rifle upper for 9mm, 40cal and 45cal cartridges. Simply use your Glock or 1911 lower to make this a complete rifle. Not bad, two guns in one.

Take some time to stop in and check out what we are carrying in the Pro Shop.

Shotgun Happenings

Hello fellow members. It has been a while since I entered the world of print regarding shotgun sports. As most of you know, I have taken over Five Stand and continue to operate Trap. I know you all don't have much interest in shooting Trap but those of you who go upland game or water fowl bird hunting, come on out and give Five Stand a try.

Though I have not been trained on how to set up a five stand shoot, all of the shooters who try my targets seem to enjoy our shoots. The crossing bird is much like a pass shoot at a green head. The other targets are similar to other shots you may make. Give it a shot. 20185 You just might like it.

Trap is still moving along. We have between five and twelve shooters on Wednesday nights. Noon to 2pm is reserved for straight trap and new folks. At 6pm I put the youngsters to work and boy are they getting to be great shooters! Two of my youngsters won four turkeys at the November Turkey Shoot at Albany Gun Club. OUTSTANDING!

Those of you who are not familiar with our junior program, I will bring you up to date. We start at 6pm and I only allow them to shoot fifty rounds so they don't get too tired. All you have to supply is the ammo. I have shotguns and the birds and my time is free. NADA-NOTHING-FREE! So, bring the juniors out and let them have fun. If I get enough shooting, we will start a team and start a league.

I hope to see you all at the range. Just have good, safe fun.

Don Arnold

ARPC Advertisers

We would like to thank our advertisers for their support of Albany Rifle and Pistol Club!
Check out the links to their websites.

Albany Rifle and Pistol Club member Rob Shepherd has changed his business name from Major Nyne Guns to SHEPHERD CUSTOM ARMS and is now open full-time in Brownsville!!

Rob specializes in custom gunsmithing and has done an exceptional job on many members' guns including Mike and Carol's! He also builds handcrafted firearms for daily use or competition. Give him a call at 541-466-3218, email - rob@sheparms.com, visit his website at M9Guns.com or send him a note at P.O. Box 849, Brownsville, Oregon 97327
