## United Nations Arms Treaty

We have just received notice that the Obama Administration has signed the United Nations Small Arms Treaty. It is unknown exactly how this treaty, if ratified by the U.S. Senate, will affect our firearms. We are a sovereign nation with our own set of laws established through our own political process, not the United Nations. Oregon has two of the most anti-gun Senators, as their voting record shows, in the country.

No doubt they are eager to move forward with this liberty crushing "treaty." Now is the time to contact your Senator and let them know how you feel about this treaty. Don't wait and think someone else is going to fight the battle, join the ranks and voice your opinion. 7151

## Thank You Club Volunteers

We want to take the time to thank all the club volunteers who volunteered to work Hunter's Sight-In Days, Fall Gun & Sportsmen Show, Work Bond and Range Officer duty. We also appreciate those members who commit to do this work and actually show up on time. When scheduled help does not show up, it puts an extra burden on others.

Hunter's Sight-In Days had a good increase in the number of people who used the range to sight in their rifles. A little over 3,900 people attended the ARPC Fall Gun & Sportsmen Show that included 450 tables. Both of these events could not have taken place without the great ARPC volunteers who took the time to help out for the benefit of the club. Thanks again.

## ARPC Range Expansion

If you haven't already heard, ARPC is adding new shooting ranges to an already great shooting facility.

Don't get caught up in rumors about the expansion. Read your newsletter and stay up to date with these projects. Latest news... both pieces of property have been purchased and ARPC now owns approximately 131 total acres.

## Read Your Club Newsletter

We work very hard to keep the ARPC newsletter pertinent and up to date with club information. Please read the newsletter every month and stay informed on range changes, club announcements, safety rule updates and political information that could threaten your use or ownership of firearms. We cannot emphasize how important it is for you to read the club newsletter. Hear the facts about ARPC from the horse's mouth. Read the article this month about the ARPC Annual Meeting and Life Memberships.

## Junior Event at ARPC

ARPC will hold a special event to bring youth to the club for firearm safety and fun shooting on Saturday, November 2<sup>nd</sup> from 10am to 2pm in Bay 3. 6932 This event is for all juniors, members and non-members.

## Range Updates

As we approach our wintry weather, we'd like to remind you to make sure to check our website prior to coming out to the range. The local roads occasionally flood and we do experience power outages that cause our gates to lock shut. In these instances, we try to get a message on our home page as soon as possible.

If the weather is not conducive to holding a discipline, that discipline may be cancelled on the calendar at the last minute. And according to global warming, the snow may be six feet deep this winter.

## 2013 ARPC Annual Meeting

The 2013 ARPC Annual Meeting will be held at the Albany Eagle's Lodge on Tuesday, November 12th at 7:00pm.

## Come Out, Help Out

The Saturday, August 3, Work Bond volunteers worked on cleaning, painting and lead reclamation. 18369 Everyone did a splendid job! We all have demands on our time so we want to thank you for participating in Work Bond.

In picking up lead, we found many duds at the end of bays 1, 5 and especially 6. Please remember to put duds in the barrels for everyone's safety.

Paul W. Hilliard, Executive Officer

## ARPC Member Business

It is hard to find a full time gunsmith these days and especially one that is close to the club. Club member, Rob Shepherd, owner of Shepherd Custom Arms, is located in Brownsville, just SE of ARPC. Rob can be contacted at 541-466-3218 or via email at [Rob@ShepArms.com](mailto:Rob@ShepArms.com). Click on the Shepherd Custom Arms link to the right under Sponsors to get to his website.
