Thanks To Our Saddle Butte Machine Gun Shoot Volunteers and Vendors!

The Saddle Butte Machine Gun Shoot Committee would like to say a BIG THANK YOU to ALL the volunteers and vendors who came out and made this event happen. A special thanks to Mike McCarter for serving as the MC for the event. And to Carol for ALL the work she has done. Thanks also to B&R Auto Wrecking of Corvallis for donating the cars we destroyed (and for taking the pieces back!). We look forward to seeing you all next year.

Allen Eriksen

Keep Your Powder Dry

The problem is not keeping your powder dry, it's trying to find it in the first place. Pistol / shotgun powder has been almost non-existent at wholesale or retail stores. We are starting to see small amounts of pistol powder at some of the bigger sporting goods stores but still can't order it for the Pro Shop. 7048 Please be careful with your reloading if you are using powders that you are not familiar with. Start your powder charge at the low end and work your way up. Handgun reloading classes will continue when pistol powder

becomes available.

The .22 long rifle ammunition picture doesn't look much better than the powder picture.

Manufactures are at full production but the demand is still exceeding supply. Part of the problem is created by people purchasing 22 long rifle ammunition to resell at gun shows and online. This makes it hard to find 22 ammunition at a reasonable price. Don't pay the outrageous prices and maybe this will stop those who are trying to make a profit at our expense.

ARPC President's Report

ARPC is one of very few organizations that elect an entire governing board every year. The idea of staggered terms for Board members has been discussed over the years and came to light again at the May 13th Quarterly Meeting. As a result, a committee was formed to compose an amendment to the ARPC Constitution allowing staggered terms. Don Arnold generously volunteered to chair the committee. After the meeting, I asked Don to consider three additional revisions to our Constitution:

1. An amendment that employees report to the club President to clarify the chain of command
2. An amendment that employees are not eligible to serve on the Executive Board to prevent a conflict of interest.
3. Revise the section that defines a quorum at Quarterly Meetings. This section was written long before we had 2883 members.

We look forward to the committee's recommendations. Don will provide an update at the Board meeting on June 10. Remember, Board

About Us

Albany Rifle and Pistol Club is centrally located in Linn County, Oregon and consists of six ranges. We are a membership club, however, we feature a wide variety of shooting disciplines and educational classes open to the public.

Contact us to schedule a range tour. You'll like what you see.

Office / Pro Shop Hours
Monday through Saturday 10AM-5PM

meetings are open to all club members and your comments are always welcome. These meetings provide you with an opportunity to hear, first hand, about club issues.

When we work together, the entire club benefits.
Paul Hilliard, ARPC President

AR15 Build a Rifle Class June 21st

In this class you will learn how to build an AR15, including the assembly of the lower receiver. 19266 All

parts to complete your Rifle are included. This will be a small class that is **100% HANDS ON** and conducted at ARPC's North Range Classroom.

Package 1 - \$595.00

A basic lightweight M4 style AR15 with either a collapsible butt stock or Fixed A2 style. 16" barrel, optics ready.

Package 2 - \$825.00

M4 style with 16" Stainless Barrel, floating handguard, flat top upper, collapsible stock, optional to upgrade Magpul furniture or .300 blackout.

Package 3 - \$995.00

Perfect for 3 gun events, upgraded 18" barrel and for end, upgraded 2 stage trigger, optional Magpul furniture.

Price does not include the \$10 Background Check.

Rifle must be paid in full by May 31st to ensure that parts are available in time for the class. Call RJ Barnes of Coastal Arms. LLC at 541-232-9687 to reserve your spot or for more details.

Please Clean Up After Yourself

Everyone who has joined ARPC in the past seven years has attended orientation. Do you recall that you are allowed to shoot different types of targets? It's fun to shoot various items such as golf balls, water jugs or homemade targets in order to hone your skills.

However, just this week we found fire extinguishers and cinder blocks (and it's not the first time) used as targets and left in the bays.

Please use good judgement when bringing your own targets to the range, clean up your mess and take your garbage with you.

Win a Glock At ARPC

Save the date!!!! The Pacific Coast Challenge VIII Glock Sport Shooting Foundation Annual event takes place on Saturday and Sunday, August 2ND & 3RD at Albany Rifle and Pistol Club. This shooting event allows members and non-members to compete in small, fun, safe courses of fire with a Glock handgun. Anyone can come out and participate with a Glock pistol. If you don't have a Glock, we will loan you one and the magazines, just bring 100- 150 rounds of 9mm factory ammunition.

Three easy stages of fire, no movement, no holsters or magazine pouches required and shoot as often as you want Saturday or Sunday. Fun side matches, FREE lunch to each competitor (11am to 2pm) and a chance to win a gun and

prizes provided by Glock. 6581 There will also be a Glock armorer on site to inspect your gun and repair any problems at no cost to you (minor repairs).

GSSF is excited to announce the introduction of the GLOCK Girls Side Match. The side match is a Ladies-Only event open to females of all ages, and will run concurrently with your favorite outdoor GSSF match. Ladies will compete in a separate division utilizing the existing courses of fire, and using the same GLOCK pistol models allowed in the existing Competition Division. Open to all Amateur and Master females, entrants will compete against one another for a first place cash prize and all are entered for the random GLOCK gun giveaways!

Come on out and give it a try. For further information go to www.gssfonline.com.
