

Handgun Warnings

To say it politely "Oregon's firearm laws can be confusing and difficult to follow" never the less it is your responsibility to know and follow the statutes regarding personal protection with a firearm.

Open carry of firearms is legal in Oregon, but for those who do not have a concealed handgun license, cities and counties may regulate the open carry of loaded firearms in public places. Here is a short list (non-inclusive) of cities that prohibit 'Open Carry Loaded': Astoria, Beaverton, Gladstone, Independence, Newport, Oregon City, Portland, Salem, Tigard and Multnomah County. The definition of a loaded firearm according to Oregon Statute 166.360(3)(a) 'A breech-loading firearm in which there is an unexpended cartridge or shell in or attached to the firearm including but not limited to, in a chamber, magazine or clip which is attached to the firearm'. Please note that legally licensed concealed carry persons are exempt from these local ordinances.

There are an increasing number of businesses restricting firearms on their premises. If a business or private party says that no guns are permitted, then they are not allowed. If you are carrying a firearm on private property (open or concealed) and asked to leave the premises you must leave. Failure to do so is a crime in Oregon, criminal trespass with a firearm. Legally licensed concealed carry persons are not exempt from these laws.

Businesses are private property and can restrict firearms on their property. You, as a potential customer, have the right to spend or not spend your money with those businesses. We are not saying 'ban' a business who says "No Guns" but be aware of their policy so you don't get in trouble. Here is a (non-inclusive) list of businesses, **provided by Moms Demand Action**, who restrict or ban firearms at their place of business: Target, Sonic Drive-In, Chili's, Chipotle Mexican Grill, Jack in the Box, Costco, Peet's Coffee & Tea, Starbucks and Jo-Ann Fabric and Craft Stores. Moms Demand Action is also putting pressure on Dick's Sporting Goods and Staples to get them to ban guns in their stores. We want our members and gun friendly friends to be alerted as to where you/they might get into trouble. As always please check with these businesses to see if they have changed or modified their policies.
