## Gun Show & Hunter Sight-In Work Bond

Are you looking for a way to get your work bond hours in? This is the perfect time to get them out of the way all at once. And we still have a lot of

open positions to fill. If you have worked the gun shows in the past, please email to me the position you worked and your preference of date, time (am or pm) and amount of hours that you would like. This makes it much easier for me to wade through all of your emails.

As for Hunter Sight-In, we'll still need you the first two weekends in September (the third one is filled). We set up at 8am and stick around for the stragglers until about 4:30pm. Please email your date and time requests and I will do my best to accommodate you.

Thank you so much,  
Carol McGlasson, Office Manager

## ARPC President's Column

At the General Meeting on August 12, it was an honor to dedicate the new shop building as the "Don Arnold Maintenance Facility". Long ago, Don recognized the need for a maintenance shop and has worked to bring it to reality. Don has served the club for many years in many ways. This is one small way we can thank Don for all he contributes to ARPC. And thank you, Connie, for all the support you have given Don and ARPC.

As you know, ARPC is a very active club with many events. These events provide income, good will and publicity for ARPC. Be sure to check the club calendar at [www.arpc.info](http://www.arpc.info) before making a trip to the club. Events are normally scheduled to leave some bays open for members, but it may be necessary to share a bay. If so, take the opportunity to meet a fellow member and make a new friend!

Paul Hilliard, ARPC President

## Classes Are Back

Yes, Basic Handgun, Handgun Reloading, Concealed Handgun and Basic Self-Defense (new) classes are back on the ARPC club calendar. We have managed to acquire enough pistol powder to bring back the Handgun Reloading class for at least a couple of months. All classes are open to club members and non-club members. 7962 Check out the club calendar, click on the event and contact the person conducting the class. Most classes require pre-registration and they fill up fast so don't hesitate if you want to take a class.

## Hunter Sight-In Days

How many hunters have missed elk like the one mounted in our clubhouse or deer because their rifle was not sighted in properly? Or worse yet, how many animals suffered from a poor shot that didn't kill

Albany Rifle and Pistol Club is holding 'Hunter's Sight-In Days' this year on September 6<sup>th</sup>, 7<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup>, from 9am to 4pm each day. Open to the public, the cost is \$5 per rifle and we supply the targets and spotters. Members may sight in their rifles free of charge.

Remember that the Main Range is under the control of the Sight-In team during this event. We will attempt to maintain a cease fire every two hours for target resets.

Please call the club office 541-491-3755 and get your name on the help list for this event even if you can work only one day or one weekend.

## HSUS Wants to Ban Lead Ammo For Hunting

A Humane Society of the United States (HSUS) petition, filed with the Department of the Interior in

early June, demands DOI implement rules that ban hunting with traditional ammunition containing lead on more than 160 million acres of public lands managed by the National Park Service and the U.S. Fish and Wildlife Service. NRA and other conservation organizations have called for it to be rejected. How concerned should you be? Executive Editor Adam Heggenstaller takes a closer look at the situation in this exclusive. Go to [AmericanHunter.org](http://AmericanHunter.org) for more information.

## Remington Arms Recall

Remington Arms announces a voluntary recall on Model 700 and Model Seven rifles with the X-Mark Pro triggers, manufactured from May 1, 2006 to April 9, 2014. Senior Remington engineers determined that some Model 700 and Model Seven rifles with XMP triggers could, under certain circumstances, unintentionally discharge. Remington established a dedicated website and

toll-free hotline to help consumers determine whether their rifle(s) are subject to recall. 1-800-243-9700 (prompt #3 then prompt #1)

### Thank You GSSF Supporters

Thank you staff, volunteers and shooters who participated in the Pacific Coast Challenge VIII Glock Match held the 1<sup>st</sup> weekend in August at ARPC. This was our 8<sup>th</sup> year of putting on this match and we had 292 (new record) entries including 42 ladies who shot in the ladies side match. Glock gives away quite a few guns at these matches each year and one Glock for every 10 entries in the ladies side match at random. There are more Glock shooters every year showing up for this match. 19173 Mark your calendar for the Pacific Coast Challenge IX and join the fun on August 1<sup>st</sup> and 2<sup>nd</sup>, 2015.
