BLACK FRIDAY

ARPC Pro Shop Black Friday Sale

You can forget this 5am Black Friday sale stuff at the ARPC Pro Shop. However there will be a Black Friday Sale on Friday, November 28th, 10am to 5pm. 6320 There will be many different items at special prices including surplus gun powder, some primers, donated fundraising items for the junior fund, misc. ammunition, discontinued bullets and ????. Don't call prior to the sale, don't try to buy it early or late, stop in and check out the Pro Shop.

Looking For Christmas Presents?

Why not purchase a new ARPC membership or dues renewal for someone? How about a gift certificate for the ARPC Pro Shop? How about a box of ammunition as a stocking stuffer or a new set of ear protection? We just brought in a few pairs of youth and one pair of infant earmuffs. There are all kinds of gift ideas in our Pro Shop for any time of the year including Christmas.

ARPC on Facebook

Facebook may not like guns but it doesn't have a problem with gun clubs. ARPC has had a Facebook page for a couple of years and not used it too many times to let the membership know about upcoming events and items in the ARPC Pro Shop like pistol powder.

Yes, pistol powder is here and more coming in every week. 20046 You may not like Facebook but it is the fastest way to let you know about new Pro Shop inventory, so check us out at because we will start using it more to keep you updated.

Black Powder 'Smoking Gun'

'Smoking Gun' is the term sometimes used to describe black powder rifles when they fire. If you have ever wanted to shoot a black powder rifle come on out to the club on Sunday, December 7th at 9:30am, Bay 12, east range and take part in the Intro to Black Powder shooting. If you don't have a black powder rifle then someone will let you shoot their rifle. If you have a black powder rifle and don't know how to shoot it or need a refresher course then come on out and they will help you. Step back in time and have some real fun shooting black powder.

ARPC Holiday Closures

Nope! ARPC is **OPEN** to its members 365 days a year including Thanksgiving,

Christmas and New Year's Day. The Pro Shop / Office is closed on those holidays. If you want to have some fun shooting on the holidays then come on out and use the range.

Firearm Purchases

If you are purchasing a firearm online or receiving one from out of state and want to pick it up at the ARPC Pro Shop, here is the process. Order your firearm, email or send them a copy of our Federal Firearm License (available in hard copy at the Pro Shop or on the club website in the 'members only' section), track your firearm shipment and call the club to make sure it is here before making the trip. ARPC does not ship firearms, we only receive them as a member benefit.

Single Stage Reloading Class

On Saturday, January 31, 2015 from 9:00 am to 5:00 pm the club will be hosting a Single Stage Rifle and Pistol Reloading class. There are four reasons to load your own ammunition...and they are: save money, improve accuracy, they don't make it anymore or maybe they never did and for a hobby. All aspects of making "Custom Ammunition" will be covered with an emphasis on rifle accuracy. If you want to learn how to find that perfect load for that rifle that should be shooting better than it is, maybe this is a class for you. If you're tired of paying \$50 to \$100 for a box of premium ammunition or you just want to research the possibility of making your own "Custom Ammunition", then this is the class for you. The cost is \$25.00 for members and family of members and \$35 for non-members. Please e-mail Steve Shippey at steve@nomikes.com or call me at 503.851.3158 to reserve a seat in the class.

North / East Range Safety

Safety doesn't stop just because you are in a shooting bay by yourself with the door closed.

Keep all firearms pointed down range, even the empty ones on the bench. 8904 Don't break the 180 degree rule by pointing a firearm back behind you or to the side towards someone else. Always make sure all firearms are unloaded, actions open or chamber flags inserted and no one is handling a firearm before going down range. 'TAKE PRIDE IN SAFETY', you can't be too safe!
