ARPC President's Message

I would like to say 'Hello' and 'Thank You' to all of our new and renewing members. I honestly believe that we have one of the, if not the, finest club and training facility in the state and we're planning on making it even better in the future. A new "tool" we have had great success with is the on-line member survey. As our first attempt at gathering opinions this way, so far it's been a big winner with about 700 responses. That is a very significant statistical sampling and it has already impacted our thinking and plans for the ongoing expansions and upgrades of facilities. Please understand that every member's opinion is important to us. Just because something doesn't happen right away because you voted for it or suggested it, doesn't mean it's not being considered. Every new or good suggestion has a place. Maybe it can't happen

right now for any one of a hundred reasons....but it might happen next month or next quarter or next year so don't be discouraged and please keep the responses coming in.

I hope to see many of you in the coming months around the club and appreciate your support in the election. Please feel free to contact me about anything club-related via the website e-mail, which for me is: arpc-president@outlook.com. As always, Think Safety and enjoy the Club!
Marc Rocque

Single Stage Reloading Class

On Saturday, January 31, 2015 from 9:00 am to 5:00 pm the club will be hosting a Single Stage Rifle and Pistol Reloading class. There are four reasons to load your own ammunition...and they are: save money, improve accuracy, they don't make it anymore or maybe they never did and for a hobby. All aspects of making "Custom Ammunition" will be covered with an emphasis on rifle accuracy. If you want to learn how to find that perfect load for that rifle that should be shooting better than it is, maybe this is a class for you. 8228 If you're tired of paying \$50 to \$100 for a box of premium ammunition or you just want to research the possibility of making your own "Custom Ammunition", then this is the class for you. The cost is \$25.00 for members and family of members and \$35 for non-members. Please e-mail Steve Shippey at steve@nomikes.com or call me at 503.851.3158 to reserve a seat in the class.

Range Expansion Update

ARPC has applied to Linn County to update our conditional use permit and move forward with the proposed range expansion. Any time in Oregon when land is used for a purpose other than what it was originally zoned for a conditional use permit must be issued. ARPC has had an active conditional use permit since the mid 1970's with updates in 1995 and 2010.

Our request was heard at a Linn County Planning Commission hearing on December 9th and will continue on Tuesday, January 13th.

At the hearing we proposed an expansion plan

Jonathon T Bachman
Darrel D Weist
Samuel & Heather Goff
Cody T Capson
Jarrod S Milner
Roger L Harvey

that would add the new long ranges on the east side of Saddle Butte, additional shooting bays and other changes on the west side of the club. This is a long range proposal that would allow the club to make changes and improvements over the next 15 to 20 years as money is available. 6979 The hearing also gave interested parties an opportunity to voice opposition to the proposed changes. It is important that we work with our neighbors and community with our use and expansion at ARPC.

Once the club has a new conditional use permit we can move forward with construction plans.

You should see several improvements in noise control on all ranges as well as expanded facilities in the future. There are many steps that have to take place to accomplish the club's goals for our shooting range and we appreciate your patience. Please feel free to ask the Executive Board or club office questions about this process as we move forward.

Mike McCarter, Range Manager

Great Events in January

Here are just a few of the events taking place in January at ARPC. Always check the club calendar for times and location. All events and classes are open to both club members and the public.

Black Powder (muzzle loader) Competition - 4th

USPSA (action pistol) Competition - 10th

ICORE (action revolver) Competition - 17th

Old West Competition - 18th & 24th

Complete Handgun Cartridge Reloading - 18th

Introduction to Basic Handgun Shooting - 21st

Oregon / Utah Concealed Carry Class - 25th

Introduction to Self Defense Shooting - 28th

Single Stage Rifle and Pistol Reloading Class - 31st

Guns, Reloading & Insurance

Chances are that many of you purchased guns, powder or primers during the holidays. Don't forget to write down the make, model and serial numbers of all of your firearms and keep that list in a safe place. Also check with your insurance carrier to make sure that they don't have any restrictions on home storage of powder and primers. Better to be safe than sorry.
