## Range Closure

The North, East and Archery Ranges will be closed to all shooting during the Machine Gun Shoot on Saturday, May 16 and Sunday, May 17.

## Conditional Use Permit Update

The Albany Rifle and Pistol Club request for a Conditional Use Permit Upgrade has been approved with some restrictions. The club can add additional shooting bays and a 300 yard range. Unfortunately the addition of 600 and 1000 yard ranges are not approved. Our intent is to reapply for the 600 and 1000 yard ranges after the 300 yard range is complete.

## Summer Months at ARPC

Please remember to look at the club calendar when planning your trip to the range. Summer months are particularly busy due to the good weather. Here are some of the events to look for and maybe attend. Or better yet...participate!

## Firearm Safety

Here are two firearm safety rules that all members and guests need to watch. First, never point your firearm at anything unless you are willing to destroy it. This applies to handguns, rifles and shotguns. Watch your muzzle direction at all times even while un-bagging and re-bagging! Second, never put your finger on the trigger until your sights are on the target. Handle your firearms with your trigger finger off the trigger and outside of the trigger guard. 10077 Practice safe firearm handling, teach new shooters how to handle firearms safely and remind your guests about safety when you bring them out to the club.
