

ARPC Saddle Butte Press June 2016 Edition

[Check Out Our Calendar of Events](#)

West and Southwest Range Construction Begins June 27, 2016

As mentioned in last month's newsletter, due to construction starting June 27, 2016, the Main Range and Trap Range will be closed to shooting with the **exception of Fridays at 6PM through Sundays at 8PM**. This project is expected to last 60 days. Target stands and target sticks will be made available on the Main Range for anyone who would like to shoot during these limited non-construction hours.

You've seen the signs before: "Excuse Our Mess" and that's what it will be. But when it's completed, we'll have a quieter, safer and more expansive facility. PLEASE keep an eye on the calendar and website for any changes and updates to this construction schedule. Thank you in advance for your patience!

Saddle Butte Machine Gun Shoot Staff THANKS YOU!!

It is with great thanks that we acknowledge all of the volunteers that make this event possible.

Gates opened up on Saturday and Sunday, May 21st and 22nd to throngs of happy people. 7610 Six varieties of autos were donated by B&R Auto Wrecking, Towing and Auto Body of Corvallis for our shooting pleasure. We also had various targets down range to shoot. Vendors in our parking area selling t-shirts, safety equipment, ammunition and other products rounded out the event.

A great time for members and the public but only because our volunteers made it possible.
Thank you and see you next year!!

ABC House Benefit Shoot

The ABC House Benefit Shooting Match is an annual fundraiser that was started by a small group from the Albany Police Department in 2001. The family friendly event attracts around 100 participants from the Northwest.

The registration fee of \$60 covers participation in the match as well as a catered lunch by Pig Out BBQ. All participants receive a random prize ranging from gun accessories to ammunition, holsters, gear, and clothing. Raffles of other high value items are also conducted.

Online registration is open and you can also register the day of the event beginning at 8:00am at ARPC. The match is from 9:00am-2:00pm.

Oregon State 4-H Championships

The Oregon State 4-H Shooting Sports Contests are designed to promote positive youth development through healthy competition. This year these youngsters and their families travel from all over Oregon to Albany Rifle and Pistol Club to participate in archery, rifle, pistol, muzzle loading and shotgun sports. These shooting sports promote and enhance

life competencies that make our community's youngest citizens open to challenge and discovery, feel they have a sense of purpose, affirm the importance of something greater than themselves, accept personal responsibility, feel positive and optimistic, and able to set and achieve realistic goals. We thank our members for sharing the range space with this fine group.
