How About Shooting Black Powder?

Do you like the smell of gun powder? Have you ever heard a HUGE bang while you're on the range and then searched it out - only to find that it's a black powder gun? Well if you've never tried shooting this fun discipline, you're in for a treat. They will be sharing the Main Range on Sunday, December 4, shooting at distances of 100 and 200 yards and in Bay 12 for their usual shenanigans. Come out and watch the fun!

For the younger age bracket, our Junior Black Powder Shoots are a great way to get the kids involved. It takes place on the first Sunday at 1PM following 9619 the adult Black Powder shoots. So whether you're a junior or just young at heart, Black Powder has something for everyone! Don't miss the New Year's Day food offering of Road Kill Stew. It's bound to be a killer of a meal!

ARPC Annual Meeting Recap

Thank you to all who attended the Annual Meeting at the Linn County Expo Center on November 8th.

We had a great time electing our incumbents for another two year term. They are as follows:

Marc Rocque - President

Tracy Hite - Vice President

Dwight Brimley - Treasurer

Next time you see these fellows, please thank them for their dedication to our club.

Merry Christmas and Happy New Year

For those of us over 50 years of age...remember when just wishing someone Merry Christmas was OK? It's not that we were excluding all other religions, it's just that we really didn't have much knowledge of them. The internet has changed all of that and I, for one, am happy that we are able to learn about many other holidays that are celebrated during the month of December. Here are a few and apologies to those that I may have missed:

Hanukkah / Chanukah
Winter Solstice
Advent Time
Restoration of Independence
St. Nicholas Day
Independence Day
Feast of Immaculate Conception
Las Posadas
Victory Day
Emperor's Birth Day
Boxing Day
Kwanzaa

Take the time to look up these holiday celebrations around the world and get to know your friends and neighbors a little bit better this coming year.

MORE Improvements to The Range!

Our membership spoke and we listened! Bays 4 & 5 are now all steel shooting areas. We have provided a wide range of steel targets for your plinking enjoyment.

Please observe the rules regarding standing behind the shooting benches to engage targets. 9342

Remember that bullets splatter on steel!

You are to use only the targets provided.

As always, please let us know any suggestions, complaints or compliments you may have regarding our range.

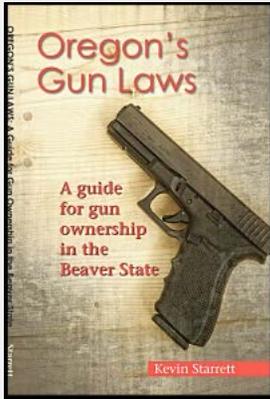

Range Etiquette

When on the Main Range, please consider the following:

1. Leave your targets, staplers, etc. on the back bench to prevent violating the cease fire rules
2. Focus on the job at hand during a cease fire; setting and tearing down your targets. Try to keep the cease fire time to a minimum. We have a warm, comfortable Clubhouse for storytelling.

Though these items are not Range Rules, the courtesy afforded by following them will go a long way to enforcing polite behavior on the line.

"GOOD MANNERS
ARE JUST A WAY
OF SHOWING OTHER
PEOPLE THAT WE HAVE
RESPECT FOR THEM."
-BILL KELLY

Know Your State's Gun Laws

The Pro Shop is now carrying the Oregon Firearms Federation (OFF) publication "Oregon's Gun Laws. A guide for gun owners in the Beaver State. Understanding Oregon's Gun Laws is a reference for gun owners in Oregon and those who may travel or move to Oregon.

This new edition contains all the changes made in recent legislative sessions and includes changes made in our laws regarding gun rights restoration." This informative book is for sale at \$12.50 for each copy. Keep informed and keep yourself safe.

Winter Weather

The winter rains have started which means that there is a possibility for local flooding and icy road conditions. We do our best to apprise you of poor road conditions in the surrounding areas on the home page of our website but conditions can change quickly. 46271 When in doubt, please check the Linn County Road Department on the link below.
