Request From The Range

Hello fellow owners of ARPC! We have a wonderful facility and are working very hard to make it even better. It takes a lot of labor hours and money to keep our ranges properly maintained; cleaning up trash and repairing misused equipment. Most of you do a fabulous job of cleaning up after shooting. Thank you! Unfortunately, some of our members think their Mom will clean up after them. These daily cleaning expenses are preventing us from focusing on making improvements for you. We would appreciate a little self-policing regarding cleaning up. Please let us know if you witness another member leaving debris or misusing targets and target stands. There are too many holes in our North and East Range target stands to be caused by "accidents". 8308 Use the target stands with target sticks as intended. If you brought it to shoot, take it home. Remember to leave all of the ranges in better shape than you found them. Thank you for all the great comments on the improvements and watch for more!

Brian Boesch, Range Manager

Our Youth Are The Future of Shooting Sports

All of us should be introducing young people to firearms by educating them in safety, sportsmanship, organized competition and ethical use of firearms to insure that our shooting and hunting traditions remain intact. ARPC is happy to welcome two youth trainers to our range who will ensure that many young people will continue these traditions.

Scott Turner of Northwest Self-Defense Education has started a new program targeted at youth from ages 7-14. The initial F.I.R.S.T. (Firearm Instruction, Responsibility & Safety Training) class is free and covers the basics. These classes are currently scheduled on the first Saturday of each month starting in February, 2017. [Click here for NWSDE.](#)

Derek LeBlanc of Lethal Lovebirds, LLC offers a youth program, Kids S.A.F.E. (Safety Around Firearms Education) Foundation that concentrates on safety through .22 rimfire proficiency. Check the club calendar for upcoming dates. [Click here for Lethal Lovebirds.](#)

New Chief Instructor - Bill Harper

Please welcome our new Chief Instructor Bill Harper to the Executive Board! Bill brings a wealth of knowledge on numerous levels. 8889 He has already started to build a team of instructors and shooters to help make this an even better range. Next time you see him at the range, stop him and say hello.

Steel Only Bays 4 & 5

The recent updates to bays 4 and 5 have been a great success! There is a plate rack, dueling tree and a single plate in Bay 4. Bay 5 has a plate rack and four single plates for your shooting pleasure. Both of these bays are in use every day and continue to receive rave reviews. Check them out if you haven't yet. Please use pistols only. No long guns or pistol caliber carbines are allowed in Bays 4 and 5. Please don't set up any other targets in these bays. They are designed to come in, shoot, clean up and leave. This will allow as many members as possible to enjoy these bays every day!

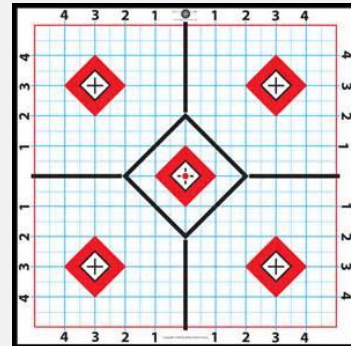

Winter Indoor .22 Pistol League

Would you like to have a fun time shooting .22's in a warm range with a great group of new friends? Great! Then come on out and shoot with the Willamette Valley Pistol League every Tuesday at 6PM in the Indoor Range. If you have any questions, please contact the Discipline Director, Paul Manghelli, 541-653-6201 or at manghelli@outdrs.net. We'll see you there.

Approved Targets?

I know we promised the list of approved targets in January but we're still hashing out the particulars. Just as soon as we get the list confirmed, we'll let you know. 17808 Don't despair though...you won't lose sleep over it.
