Take your pick from 440 tables of guns, gun related supplies and sportsman items brought to you by vendors from throughout Oregon, Washington

SBMGS Volunteers Needed

The Saddle Butte Machine Gun Shoot is seeking volunteers for this year's event. The shoot is on the third weekend in May (May 20th and 21st). Volunteers are needed for setup on Friday the 19th (9 am- finished) and tear down Monday the 22nd (8 am- approx. 12pm). And volunteers will be needed for the event itself. Areas where volunteers will be needed are at the Gate/Parking, Balloons/Targets, Selling Tee shirts and of course Range Officers. To volunteer please contact: Allen Eriksen at Eriksenor@aol.com or by phone at (541)967-4005 (weekends only please). This is a great way to get your work bond hours in. Volunteers need to be current ARPC club members. Please respond with your name, day(s) available, phone number and if you are or have any experience as a Range Officer.

Approved Targets

We now have our approved target list available for your viewing pleasure. These lists are range specific so please check the list for the range you are shooting on.

Please pick up and take home all of your used targets. We do have a cardboard recycling bin between Bays 2 and 3 in which you may place your used cardboard targets.

Continued Next Page

Where Did the New Member Listing Go?

Your safety and privacy is of utmost importance to ARPC. Therefore, to protect the privacy of each one of our members, we are no longer listing new member names in our newsletter. And you can rest assured that we never share any of your information. So we want to welcome all of our new members...whoever you are!

New Stairs on The East Side

Our Facilities Maintenance employee, Troy, has been hard at work constructing stairs to replace the railroad ties from the parking area to the East Ranges. Pictured here is the first of two stairways (handrails will be added soon). When both sets are finished, there won't be any mud, dirt goat paths and long walks around to get your shooting gear from your car to the bay. Great job to Troy and the members who have come out to help with this ongoing project.

Steel Targets at ARPC

Many ranges do not allow their members to bring in steel targets for various reasons that include noise and safety issues. Our Conditional Use Permit allows steel as long as it is not a "gong style" target that produces a ringing sound.

ARPC believes steel is a valuable target and can be used safely and legally if a few simple rules are followed. Listed below are the rules regarding distances and usage of steel targets.

MINIMUM DISTANCES MAIN RANGE

All steel targets, except for ARPC supplied steel, must be hung on the front of one of the provided target boards only. This will absorb the impact and produce a more pleasing sound. The chicken wire is not an approved backing for steel targets.

- Shotgun slugs - 50 yards
- Rifles - 100 yards

NORTH AND EAST BAYS EXCEPT 4 AND 5

- Pistol caliber handguns and pistol caliber carbines - 12 yards
- Shotgun slugs – allowed in Bay 12 only - 50 yards
- No rifle engagement on steel allowed in bays

BAYS 4 AND 5

- Pistol caliber handguns only
- ARPC supplied steel targets only

SHOTGUN AND INDOOR RANGES

- No steel allowed except ARPC patterning board

Black Powder Shoot

ARPC welcomes all black powder enthusiasts, including black powder cartridge, modern ("in-line") muzzle-loader and traditional muzzle-loading shooters. 9812 Our Black Powder shooters are a great group that shoot in Bay 12 on the first Sunday of each month.

Sunday, March 5th they're hosting a special shoot using .40 caliber or less Black Powder rifles or pistols. No need to dress up, just show up! Bring a prize for the blanket if you like - you just may be a winner. If you have any questions, please call Carl Engstrom at 541-990-1747.

Upcoming Friends of NRA Banquet

Save the date! We are happy to announce that this year's Mid-Valley Friends of NRA Banquet is taking place on Saturday, April 29th, 5pm, at the Linn County Fair and Expo Center.

The goal of Friends of NRA is to raise money for shooting sports / programs throughout Oregon and the United States. All of the money raised must be used for these programs and cannot be used for political reasons. In 2016 Oregon Friends of NRA granted out over \$374,000 to gun clubs, 4H shooting programs, high school ROTC and other shooting related programs in Oregon. Many of these programs would have a hard time supporting shooting sports without these funds.

Please join us on Saturday, April 29th, 2017, 5pm, at the Linn County Fair and Expo Center for an outstanding dinner and auction. In addition, we have one gun for every 10 people in attendance and someone will walk out the door, as the owner of each one, by the end of the evening! Further information and order forms are in the ARPC main range clubhouse or call Mike McCarter at 503-339-5654. You can also go online to friendsofnra.org and order tickets. We hope to see you there.
