Happy Independence Day

On June 11, 1776, the Colonies' Second Continental Congress met in Philadelphia and formed a committee whose express purpose was drafting a document that would formally sever their ties with Great Britain. The committee included Thomas Jefferson, Benjamin Franklin, John Adams, Roger Sherman and Robert R. Livingston. Jefferson, who was considered the strongest and most eloquent writer, crafted the original draft document "The Declaration of Independence". A total of 86 changes were made to his draft and the Continental Congress officially adopted the definitive version on July 4, 1776. The Declaration of Independence has since become our nation's most cherished symbol of liberty.

On July 4, 1776, the thirteen colonies claimed their independence from England, an event which eventually led to the formation of the United States. One year later, on July 4, 1777, Philadelphia marked Independence Day by adjourning Congress and celebrating with bonfires, bells and fireworks.

Main Range Steel Pistol Racks

Are you still missing the Main Range steel pistol racks? We are missing them, too! The plan was to have them in place by now but we've been pushed back due to more pressing range maintenance items. Look for them to be in place very soon.

Archery Range Open for The Season

It's finally archery season at ARPC! We've got 12 target areas with 14 targets for your shooting pleasure. We strive to make it simulate a woodland experience with also a bit of open grassy area thrown in. Bring your friends and shoot our course. A \$5 donation to cover our targets is requested. Wait until you see the last one in the course it's a doozie.

Pacific Coast Challenge GSSF Match

ARPC will once again host the Pacific Coast Challenge GSSF Match on July 29th and 30th. This is a great match to show your prowess with your plastic gun! You must join GSSF to compete. There is a \$35 charge to join as an individual. There are also family memberships. Visit www.gssfonline.com to join.

Participants can register for 20 categories based on their Glock pistols, qualifications, sex and age. They may sign up for as many categories as they have pistols to use. Participants can win certificates for Glock Pistols and other Glock swag through performance as well as random drawings!

Participants do not draw from the holster or move during fire so it is an easy match to shoot and doesn't require any special equipment.

We are also looking for 25 volunteers for each Match day. They must be ARPC ROs and 15 should have experience with timers. Volunteers will receive free lunches for each day worked and will be entered into a random drawing for a Glock Certificate. They will also receive free hats and T-shirts and can choose either pistol mags, Glock knives, gun rugs or free memberships and entries into the match for each day worked.

Five to ten volunteers are needed for setup on Friday. Please contact Brian, our Range Manager, at 541-491-3755 if you would like to volunteer.

Summertime at The Range

Summer is an exciting time of the year in Oregon. Taking trips with family and friends is a wonderful way to spend the season. As many members take this opportunity to travel, the ranges are strangely empty. Of course, now that I mention it, they'll be packed but generally it is the quiet time of the year at ARPC. We do have a few events this summer such as the Oregon 4H State Championships, GSSF Match and Hunter Safety Classes but for the most part it's easy to find open bays. Just remember to stay hydrated while you're out here enjoying the warm weather and practicing your shooting skills.

Junior Trap

Here's a picture of Emily Diermier shooting Junior Trap. She'd be so much happier if she had someone to shoot with her. Youth trap shooters are the future of this beloved sport and it is also a terrific way to introduce young people to firearms in a safe environment. So, don't let Emily be lonely, bring out your children and tell your neighbors to bring theirs to shoot on Saturdays from 8:30AM-12PM. If you have any questions, please call Dave Imel at 541-926-3716 or Tim Austin at 541-926-0032.

Shooting Prone

The prone position is the steadiest shooting position and the one from which many feel the fundamentals of rifle shooting are learned. It is a good position for firing accurate long-distance shots. Some of our members that are competitive shooters utilize this positioning on the Main Range. Since it's not very common, they are frequently overlooked when it comes to calling a ceasefire. Please keep an eye out for these shooters.

OSHA Compliant Certified First Aid Course

Alan Robbins is a talented and informative instructor. He has been with the Yamhill Fire Dept. since 1990 which has given him vast experience as an emergency services provider. He is an EMT and CPR/First Aid instructor. Alan is also a reserve officer with the Yamhill Police Dept. He loves to share his knowledge and has offered to help our members to become more able to assist in an emergency.

He will be teaching an OSHA Compliant Certified First Aid CPR/AED Instruction with Bonus Intro to Tactical Medicine on Saturday, July 22 from 3:30pm-7:30pm in the North Range Classroom. Following completion, you will be issued a First Aid Card.

This class is limited to 24 students and it fills up quickly. Call ahead to reserve your spot today! Member cost is \$50; non-member \$60. Bring your own beverages or snacks.

Contact Alan Robbins at 503-476-6792 or email alan@nwsde.com

ABC House Recap

Thank you to all the participants at the 17th Annual ABC House Benefit Match. Over 125 shooters enjoyed a beautiful sunny day on the range. Pig Out BBQ was there again with a wonderful lunch for everyone. This event brings in a lot of money for ABC House which is a child abuse intervention center serving Benton and Linn Counties. They provide high-quality child abuse assessments for local children when there are concerns of abuse and neglect.
