ARPC Annual Meeting

The Albany Rifle and Pistol Club Annual Meeting is scheduled for Monday, November 20th, 2017 at the Linn County Fair and Expo Center East Conference Rooms at 7pm. The meeting is open to all club members and registration to attend is not required. Annual meetings include important information about the club, discipline reports, club officer elections and membership door prize drawings.

This year we have three open positions and any club member in good standing (current member) may run for office. 12190 Kindly contact Club President Marc Rocque at arpc-president@outlook.com or 503-551-3905 for more details.

Please take the time to attend. It's your club. Let your voice be heard!

Planters Needed!

Do you have a green thumb or maybe just like to play in the dirt? ARPC is planting a few trees and plants along our South and West property lines. We are looking for some volunteers to help us set them and backfill the holes. We will start planting at 8:00 AM on October 16 and 17. If you would like to help and log some work bond time, please call Brian @ 541-491-3755 or email @ arpc.range.manager@outlook.com. Thanks for helping us create sound barriers and beautify ARPC.

ARPC Executive Board Openings

**WE NEED
YOU...**

The ARPC Annual Meeting on Monday, November 20th, is quickly approaching and there are three Board positions open for election; **Secretary, Executive Officer and Chief Instructor**. Board positions are two year terms. These positions are open to all members in good standing. As you are probably aware, ARPC has grown significantly over the last ten years. Our future depends on the decisions made by the Board as well as our employees. The time required to be an active and involved Board member varies from month to month. Ten to thirty hours per month would be a fair estimate. The ability to attend a monthly meeting every 2nd Tuesday evening, as well as any special meetings, is critical. We all joined ARPC so we would have a place to shoot. It takes people who care to make sure ARPC will be here for our children and grandchildren. If the idea of running for a Board position intrigues you, please call or contact Marc Rocque at arpc-president@outlook.com or 503-551-3905. Remember our wonderful facility doesn't exist without dedicated Board members directing our future!

Full-Auto Zombie Halloween Apocalypse at ARPC!

Where else can you plan the Zombie Apocalypse on a certain date and time but ARPC?! Meet us in Bay 2 at 10 AM on Saturday, October 21st - we hear werewolves, ghosts and ghouls will also be storming the bay as well as zombies. This is a full-auto shoot and you don't have to own your own machine gun. We'll let you borrow ours for the cost of ammunition. Give the Discipline Director, Mike Myhrvold, a call at 971-732-9962 or email him at mmyhrvold@yahoo.com if you have any questions.

Prone Shooters - Safety Protocol

We have added an extra layer of safety for our prone shooters on the main range. There are now two sawhorses hanging on the back wall with signs that say, "Prone Shooter" on them. If you are planning on shooting in the prone position, please place a sign straddling the yellow line by your position. The responsibility for making sure the range is ready to go cold still lies with the person pushing the button. Please follow the instructions located above our three buttons to insure we are safe going cold.

ARPC September Gun & Sportsman Show Recap

Our September Show has come and gone but we want to thank all of our volunteers for their hard work taking admission fees, stamping hands, counting entrants, manning security doors and the show floor and just helping out wherever we needed them. 8726 We cannot do it without you!! See you next March 2018 for the Spring Gun & Sportsman Show.

Troy's Helpers

Special thanks to members Rodney Myklak, John Wakefield and Wes Cook for their wonderful job labeling and painting the yardage numbers on the Shotgun Range!

Hunter Sight-In Days

Our work bond helpers assisted 232 shooters in sighting their rifles for this hunting season. 9205 Thanks to all of you!! Hopefully some of the shooters at least get a chance at this buck to the right. Send in your pictures to the office and we'll post them on our board.
