ARPC Annual Meeting

The Albany Rifle and Pistol Club Annual Meeting was held on Monday, November 20th, 2017 at the Linn County Fair and Expo Center East Conference Rooms at 7pm. We had 95 club members and their guests in attendance for the range updates, discipline reports, club officer elections and membership door prize drawings. Thank you to all that attended the meeting!

The three open positions were filled by the following members: Secretary - Anita Huxman, Executive Officer - Jonathan Wilder and Chief Instructor - Wayne Floyd.55978 Please take the time to welcome these Board members who have signed up to assist ARPC for their two year term.

Winter Weather is Here

The winter rains have started which means that there is a possibility for local flooding and icy road conditions. We do our best to apprise you of poor road conditions in the surrounding areas on the home page of our website but conditions can change quickly. When in doubt, please check the Linn County Road Department on the link below.

Merry Christmas and Happy New Year

For those of us over 60 years of age...remember when just wishing someone Merry Christmas was OK? It's not that we were excluding all other religions, it's just that we really didn't have much knowledge of them. The internet has changed all of that and we're happy to learn about many other holidays that are celebrated during the month of December. Here are a few and apologies to those that may have been missed:

Hanukkah / Chanukah, Winter Solstice, Advent Time, Restoration of Independence, St. Nicholas Day, Independence Day, Feast of Immaculate Conception, Las Posadas, Victory Day, Emperor's Birth Day, Boxing Day and Kwanzaa.

Take the time to look up these holiday celebrations around the world and get to know your friends and neighbors a little bit better this coming year.

Recycling

The EPA estimates that 75% of the American waste stream is recyclable, but we only recycle about 30% of it. ARPC's cardboard recycling program far surpasses this number at 70%! Thanks to our members and guests for using our recycling containers.6543 It also saves us money to put towards range improvements instead of the garbage bill.

Junior 4-H Indoor Shooting Program

The focus of all 4-H programs is the development of youth as individuals and as responsible and productive citizens. The National 4-H Shooting Sports Program stands out as an example.8529 Youth learn marksmanship, the safe and responsible use of firearms, the principles of hunting and archery, and much more. The activities of the program and the support of caring adult leaders provide young people with opportunities to develop life skills, self-worth, and conservation ethics. ARPC is hosting a Junior Indoor 4-H Shooting Program starting in December. Please check our calendar for particulars and contact Connie Gulliford at 907-723-7775 if you are interested in getting your child or grandchild into this program. You are required to be a 4-H member but not a member of ARPC.

Archery Animals Head South For The Winter

They've soaked up as much Oregon sunshine as they could stand. So they've loaded up the bus like the rest of the snowbirds and have high-tailed it south for the winter and early spring months. We'll let you know when they return and will leave our target butts up as long as we can. Until then, check out the public sight-in

range at E.E.Wilson Wildlife Area on Camp Adair Road near Adair Village, north of Corvallis. It is a covered shooting area complete with picnic tables for those of us that love all of the Oregon seasons.

Oregon Firearms Federation

Please check the [OFF Website](#) for updates on critical referendums, updated gun laws and legislation.
