

ARPC Saddle Butte Press January 2018 Edition

Are You Getting the Most Out of Your Membership?

Few members, if any, ever log into their member page on our website. This area allows you access to your work bond hours, updating of addresses and phone numbers and visibility to member only documents.

ARPC's Club Constitution can be found via your member page. Our club is governed by this document. As you peruse it, please read:

(D) Benefits and Duties: #4 - "It shall be the duty of all members to observe the rules and regulations of ARPC. Further, to conduct themselves in a safe and responsible manner, displaying good sportsmanship, and fair play."

AND

(D) Benefits and Duties: #5 - "To promptly report to the Club officers any infractions of rules by members or visitors which may create an unsafe condition or reflect poorly on ARPC."

Responsible firearm handling, respect for property and each other are crucial to the longevity of ARPC. 7742 Alerting the club to someone who is irresponsible may just save them or you from injury.

Animals on the Range

Raptors are powerful and sensitive creatures.

This juvenile red tail hawk was located hanging out on the berm adjacent to the club office. He then flew onto our member Toby's truck. We noticed that it had an injured claw and called wildlife rehabilitation professionals for assistance. He was captured and is in the "bird hotel" undergoing therapy.

Do not attempt to help injured raptors. They can easily harm you with their sharp beaks and talons and we can injure them further by handling them improperly. If you find an injured raptor or any other wildlife on the range, contact someone on the club emergency list and then call [Chintimini Wildlife Center](#) in Corvallis at 541-745-5324.

Winter Weather is Here

The winter rains have started which means that there is a possibility for local flooding and icy road conditions. We do our best to apprise you of poor road conditions in the surrounding areas on the home page of our website but conditions can change quickly. When in doubt, please check the Linn County Road Department on the link below.

North Range Stair Rails

The new powder coated stair rails are in and installed on the north set of East Range Stairs. Excellent job Troy for drawing, fabricating and installing these much-needed rails! He's working on the far south stair rails now. Be on the lookout for them soon.

Pay Online

Online Renewal Payments Coming Soon

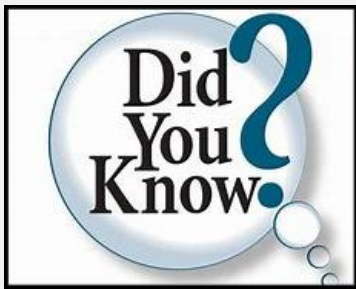

You've asked and we've listened. We have been hard at work testing an online payment system for renewals and it is almost ready for release!

This system will accept a one-time customer-to-vendor payment with your Visa, MasterCard or Discover. The site will process your credit card information, send you an e-mail notifying you that your payment was received and credit your account with ARPC. ARPC will NOT store your credit card information for future payments. Please keep an eye out for an email alerting you when this new process goes live. You may continue to pay in person or mail your check or credit card information.

Junior 4-H Indoor Shooting Program

The focus of all 4-H programs is the development of youth as individuals and as responsible and productive citizens. The National 4-H Shooting Sports Program stands out as an example. Youth learn marksmanship, the safe and responsible use of firearms, the principles of hunting and archery, and much more. 19388 The activities of the program and the support of caring adult leaders provide young people with opportunities to develop life skills, self-worth, and conservation ethics. ARPC is hosting a Junior Indoor 4-H Shooting Program starting in December. Please check our calendar for particulars and contact the individual listed if you are interested in getting your child or grandchild into this program. You are required to be a 4-H member but not a member of ARPC.

Fun Fact

New Year's Eve (2017) will be the only day when every adult was born in the 1900's and every minor was born in the 2000's. Unless of course you're over 118 years old...
