

ARPC Saddle Butte Press May 2018 Edition

Range Closures During Work

The beginning of the summer season is upon us as is the growth of unwanted vegetation. The North and East Range Bays will be closed from the hours of 7 AM - 12 PM only, Monday, April 30th through Thursday, May 3rd to deal with these noxious and harmful weeds. Please check

the calendar for additional area closures as we take care of the rest of the range. We are sorry for any inconvenience and know you'll be happy with the results.

Online Membership Renewal is HERE!!

ARPC members now have the option of paying their annual renewal dues online. Our online payment feature is both safe and secure and it is an alternative to mailing or calling in a payment. It does require some basic

information – your login id, password, and your credit card information. Forgotten your login information? No problem. Just email the office and we'll send a reminder to your email address that we have on file. Then just click on this LINK to make your payment. You may pay up to two months in advance of your due date with your Visa, MasterCard or Discover. A receipt will be sent via e-mail immediately following payment. We still accept checks and appreciate your patience as we phase out the pay by phone option as it will allow us to concentrate on our range responsibilities.

Volunteer Opportunities - We Want You

We need volunteers with good safety awareness to help out at several upcoming calendar dates. 12076 You will receive work bond credit for your help with these educational and competitive events.

Member Awareness on The Range

These three alcohol beverage containers were found strewn across Bay 5 at 10 am on Tuesday, April 24. Located alongside them were five of the same containers shot full of holes. Our ARPC Constitution requires us, as member-owners, to follow the rules under Article III - Membership (D) Benefits and Duties: #'s 4 & 5 state:

4. It shall be the duty of all members to observe the rules and regulations of ARPC. Further, to conduct themselves in a safe and responsible manner, displaying good sportsmanship, and fair play.
5. To promptly report to the Club officers any infractions of rules by members or visitors which may create an unsafe condition or reflect poorly on ARPC.

This is obviously a grave abuse of the privilege of membership at ARPC and every member should take this as a personal affront. If you observe any types of infractions, please report it to ARPC staff immediately. Though extremely rare, instances similar to these have been met with swift consequences that include membership termination by the Executive Board.

Black Powder Extravaganza

Have you ever shot a Black Powder gun...how about three? You'll learn how to load the ball, the gun powder and a patch and you'll learn to shoot safely. The Thunder Sticks of Saddle Butte group will be hosting a 3-gun powder shoot on

Sunday, May 6 starting at 9:30 am. Don't have any guns to shoot? 7015 We'll let you use ours. Every size, shape, gender and age are welcome. Remember ladies, Annie Oakley shot with a black powder gun!

Wondering What to Get Mom for Mother's Day?

Certainly NOT an edible arrangement. She deserves so much more than that. How about a beginning instructional class for handgun shooting? She doesn't even have to own a gun! The ARPC is offering a basic BEGINNING handgun course intended for people over age 18 who have had little, if any, previous firearm training. This course is also open to the public. Instructors are ARPC Range Safety Officers and the curriculum is patterned after the NRA Beginning Handgun Course. This is not a concealed carry license class. There is a \$30 class fee.

Isn't your Mom worth \$30 and a little ammo?! Check the ARPC calendar for particulars - the next class on May 13th (that's Mother's Day folks).

Gone West – John Nichols

The Full Auto discipline group will have a memorial shoot for John Nichols during their scheduled May match in Bay 3. John was a long-time member and friend of ARPC, former Army EOD and an active Class 3 dealer. To many at the range, he was known as the Chief RO at the ARPC machine guns shoots in the 90's and 2000's. John was also a mentor to many of the NFA shooters at the range and was a source of great technical knowledge about automatic and suppressed firearms. He freely shared his expertise and knowledge with many ARPC members. He will be missed.

Eye Protection and Safety

What a beautiful eye and I'm certain he or she wants to keep it that way! Our Range Safety Officers keep us informed as to the issues they find on their rounds at ARPC. We want to remind our members to follow these rules:

1. Eye protection - It is now mandatory on all ranges, including the Indoor Range AND all grounds; yes, even if you're not in a bay or shooting. Walking anywhere on the grounds, you can be hit by flying debris. If you are in your vehicle, clubhouse or restrooms, you are not required to

- wear your eye protection. Prescription glasses are acceptable.
2. Ear protection - Ear protection is mandatory whenever you are around someone who is actively shooting - all bays and all ranges. It's a good idea to also wear ear protection when walking near any shooting area (the corridor between the Main Range and clubhouse can be particularly loud).
 3. Gate cards and guest badges - Please wear your gate card on your person where it is visible to everyone and remember to sign in your guests. ARPC does invite the public to participate in regularly scheduled shooting events but we are not open to the public for target practice. Individuals who are not members and not at a scheduled event are trespassing.

18th Annual ABC House Benefit Shooting Match

ARPC is once again hosting the Annual ABC House Benefit Shooting Match on Saturday, June 16, 2018. This event features six exciting stages of fire, excellent door prizes and a catered lunch all for only \$60. 8967 All levels of shooters are welcome! ABC House is a non-profit Child Abuse Intervention Center working with children, youth, and their families to overcome the crisis of abuse and neglect. Come on out and support this worthwhile cause.
