Coastal Farms They're Certainly Not Dick's Sporting Goods

Every year Coastal Farms Corporate Office hosts a special Vendor Day for their gun counter sales personnel. Part of this training is held at ARPC. This year 14 vendors brought out their wares for over 40 Coastal employees from the Pacific Northwest to get acquainted with. Each person had the opportunity to shoot pistols, shotguns, carbines and rifles on our range. The vendors supplied a wide variety of firearms and everyone had a great time. We enjoy working with Coastal Farms on these events. A special thanks to the ARPC members who volunteered as Range Officers to ensure all safety protocols were followed.

Online Membership Renewal is HERE!!

ARPC members now have the option of paying their annual renewal dues online. Our online payment feature is both safe and secure and it is an alternative to mailing or calling in a payment. It does require some basic information – your login id, password, and your credit card information. Forgotten your login information? No problem. Just email the [office](#) and we'll send a reminder to your email address that we have on file. Then just click on this [LINK](#) to make your payment. You may pay up to two months in advance of your due date with your Visa, MasterCard or Discover. A receipt will be sent via e-mail immediately following payment. We still accept checks and appreciate your patience as we phase out the pay by phone option as it will allow us to concentrate on our range responsibilities.

Volunteer Opportunities - We Want You

We need volunteers with good safety awareness to help out at several upcoming calendar dates. You will receive work bond credit for your help with these educational and competitive events.

The Archery Range is Almost Up!

The animals are awakening from their long winter nap and will soon appear on the Range. We are rebuilding the backboards utilizing two layers of horse stall mat.

Thirteen of these mats were graciously donated by Coastal Farm and provided the remaining thirteen at cost. Thank you Coastal Farms! This new design is based on experimentation from the last two summers

and should help prevent a slight target miss from resulting in a broken or damaged arrow. There will still be plywood on the perimeter of the backers but this design should prove more forgiving. We found a lost lane buried in the blackberries so we will now have thirteen lanes. We also extended the distance on lane eight to make the course more challenging. All backers and animals will be in place prior to the Make A Wish event on June 9th.

3D Archery Fundraiser

Farmhouse Fraternity from OSU and ARPC are teaming up to hold a fundraiser for the Make A Wish Foundation on June 9th, 2018. Cost is \$25 and all proceeds will go to Make A Wish Foundation. Farmhouse will provide prizes for 1st, 2nd and 3rd place. This is a great opportunity to dust off your bow and work those special muscles that haven't been stretched since last season. Pre-register for the event [here](#). If you can't make it but still want to donate in support of this event, contact [Farmhouse Fraternity](#).

Wondering What to Get Dad for Father's Day?

Dad's a great guy and maybe you're having trouble figuring out what to get him for that special day. Hmm. How about a couple of boxes of his favorite ammo and some family range time? It's beautiful weather at the range and, believe it or not, summer is our least crowded time of the year. Take time out to celebrate Dad. He will thank you for it.

18th Annual ABC House Benefit Shooting Match

ARPC is once again hosting the Annual ABC House Benefit Shooting Match on Saturday, June 16, 2018. This event features six exciting stages of fire, excellent door prizes and a catered lunch all for only \$60. All levels of shooters are welcome! ABC House is a non-profit Child Abuse Intervention Center working with children, youth, and their families to overcome the crisis of abuse and neglect. Come on out and support this worthwhile cause. Eye Protection

Eye protection - It is now mandatory on all ranges, including the Indoor Range AND all grounds; yes, even if you're not in a bay or shooting. Walking anywhere on the grounds, you can be hit by flying debris. If you are in your vehicle, clubhouse or restrooms, you are not required to wear your eye protection. Prescription glasses are acceptable.

Please check the [OFF Website](#) for updates on critical referendums, updated gun laws and legislation.
