

## ARPC Saddle Butte Press November 2018 Edition

### **THIS VETERANS DAY MARKS THE 100th ANNIVERSARY OF THE END OF WORLD WAR 1 - NOVEMBER 11, 2018**

Veterans Day, formerly known as Armistice Day, was originally set as a U.S. legal holiday to honor the end of World War I. At 5 a.m. - the 11th hour on the 11th day of the 11th month of 1918 -

Germany, bereft of manpower and supplies and faced with imminent invasion, signed an armistice agreement with the Allies in a railroad car outside Compiègne, France. The First World War left nine million soldiers dead and 21 million wounded, with Germany, Russia, Austria-Hungary, France, and Great Britain each losing nearly a million or more lives. In addition, at least five million civilians died from disease, starvation, or exposure.

In legislation that was passed in 1938, November 11 was "dedicated to the cause of world peace and to be hereafter celebrated and known as 'Armistice Day.'" As such, this new legal holiday honored World War I veterans. In 1954, after having been through both World War II and the Korean War, the 83rd U.S. Congress -- at the urging of the veteran's service organizations -- amended the Act of 1938 by striking out the word "Armistice" and inserting the word "Veterans."

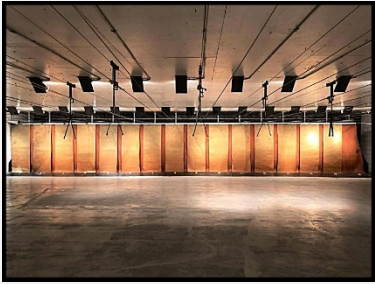

With the approval of this legislation on June 1, 1954, November 11 became a day to honor ALL American veterans, both living and dead. In fact, Veterans Day is largely intended to thank LIVING veterans for dedicated and loyal service to our country. Veterans Day of each year is the day that we ensure veterans know that we deeply appreciate their service and the sacrifices they have made in their lives to keep our country free.

## Daylight Savings Time Ends Sunday, November 4th

### Remember to Set Your Clocks Back One Hour

Time to leave for work in the dark and return home in the dark and only work an eight-hour day Oregonians!

### Indoor Range Upgrade

Our Indoor Range was closed for four days this October in order for some much-needed repairs. Richard replaced pulleys that had been shot, installed new felt strips to cover the holes in the existing felt and thoroughly cleaned the range. As you can see in the picture, it is beautiful; a very nice place to spend a chilly winter day on a warm range. Remember that you must attend an Indoor Range Safety Class in order to receive access to this area of the club. Class is scheduled on the second Saturday of each month at 4PM. 9861 Log in to your member section of our website for the necessary paperwork and test prior to attending.

### ARPC Annual Meeting

The Albany Rifle and Pistol Club Annual Meeting is scheduled for Tuesday, November 27th, 2018 at the Linn County Fair and Expo Center East Conference Rooms at 7pm. The meeting is open to all club members and registration to attend is not required. Annual meetings include important information about the club, discipline reports, club officer elections and membership door prize drawings.

Please take the time to attend. It's your club. Let your voice be heard!

### ARPC Executive Board Openings

The ARPC Annual Meeting on Tuesday, November 27th, is quickly approaching, and there are three Board positions open for election: **President, Vice President, and Treasurer.** Board positions serve two-year terms. These positions are open to all members in good

standing. As you are probably aware, ARPC has grown significantly over the last ten years. Our future depends on the decisions made by the Board as well as our employees. The time required to be an active and involved Board member varies from month to month. Ten to thirty hours per month would be a fair estimate. The ability to attend a monthly meeting every 2nd Tuesday evening, as well as any special meetings, is critical. We all joined ARPC so we would have a place to shoot. 12831 It takes people who care to make sure ARPC will be here for our children and grandchildren. If the idea of running for a Board position intrigues you, please contact Brian Boesch at [rm@arpc.info](mailto:rm@arpc.info). Remember our wonderful facility doesn't exist without dedicated Board members directing our future!

**FAMILY MEMBERSHIP VOTING NOTE**  
**Per ARPC Constitution**

**Article IV - Membership Fees - Section (D)**

**"Each Family membership will have only 1 vote."**

**Targets on Berms**

Many of our members and guests enjoy shooting items on the berms. It's fun to shoot the clay pigeons and watch them break apart, then shoot the tiny pieces that are left. This is a reminder for anyone who is placing clay pigeons or other approved targets on the berms.

**Berm Usage Rules:**

Targets may not exceed six feet (6') up the berm from ground level.

If you are six feet (6') tall, you may only toss the targets onto the berms as high as your head.

Do not climb the berms.

Non-biodegradable targets, like golf balls, need to be removed by the shooters. Do not climb the berms to retrieve targets for any reason.

Please remember to leave the shooting areas in better shape than you found them. If you have any questions regarding any rules, please ask our Range Manager for clarification.

**Club Officer Elections  
Ben LaLonde For  
ARPC Vice President**

Dear ARPC Members,

My name is Ben Lalonde and I am running for the ARPC Executive Board Vice President position. Last month I shared a letter in the news letter about my experience and work at the club and how having range facilities available for member access was important to me. This month I wanted to share some of the experience and knowledge I can use in the Vice President position and my vision of the club moving forward.

I have 7 years experience as an engineering project manager where I developed projects from concept, and managed engineering and construction. I learned and practiced defining the scope, budget and schedule of projects to ensure their success. The Executive Board has oversight of the projects at the club and my experience could be a valuable addition to the Board's oversight. There are several great new projects in the works that can add more ranges and facilities for member use. I would like to see those projects move forward to completion.

Besides our three dedicated employees working hard for our membership, we have an army of volunteers that work in a spectrum of roles for the club. This club is thriving due to our volunteers. In the future, I see promoting and supporting our volunteers critical to maintaining the strength of our club.

Please come to the November meeting to cast your vote.

Sincerely,  
Ben Lalonde

**Club Officer Elections  
Tracy Hite For  
ARPC Vice President**

Hello Fellow ARPC members.

My name is TRACY HITE and I am the current Vice President of ARPC. I'm running for reelection for the Executive Board position of Vice President. It has been my pleasure to serve the membership for the past six years. In addition to serving on the board as your Vice President and a member of the Executive board, I have also served as Range Master for Old West Discipline. During my time as Vice President, the E Board has made great strides in advancing the goals, needs, and long

range planning of our membership through team work and dedication. We have strived to meet the conditional use permit requirements of this range with the future range goals in mind. The Executive Boards that I have served with have worked together tirelessly to improve our relationship with our neighbors. We have balanced the needs and desires of our many disciplines with the needs of the general membership and become good stewards of our range. We have spent time to improve our sound suppression, water runoff, safety polices and other needs of our members. With the help of Carol Fitzmorris, I developed an on-line program so the Discipline Directors can take their mandatory yearly test electronically, helping to enhance their skills while minimizing extra trips to the range. I have truly enjoyed working as a liaison between the disciplines and the E board. I am committed to improving our range for all members. I would like your vote at the November 27 annual meeting so I can continue to serve you as your Vice President.

Thank You  
Tracy Hite

### **Online Membership Renewal is HERE!!**

ARPC members now have the option of paying their annual renewal dues online. Our online payment feature is both safe and secure, and it is an alternative to mailing in a payment. It does require some basic information – your login id, password, and your credit card information. Forgotten your login information? No problem. Just [email the office](#) and we'll send a reminder to your email address that we have on file. 45414 Then just click on this [LINK](#) to make your payment. You may pay up to two months in advance or two months in arrears of your due date with your Visa, MasterCard or Discover. A receipt will be sent via e-mail immediately following payment. We are phasing out the pay-by-phone option as it will allow us to concentrate on our range responsibilities. Log in to your account today!

### **Oregon Firearms Federation**

Please check the [OFF Website](#) for updates on critical referendums, updated gun laws and legislation.

## Points For Profits

ARPC is part of the local Points for Profit organization. Don't forget to bring in your receipts from participating businesses like CoEnergy, Beggs Tire,

Bi-Mart or Elmer's Restaurant and place them in the clubhouse mailbox at ARPC. These receipts will generate income for our junior programs. Here is a link to the full list of participating businesses. Please support these businesses as they support our local non-profits. There are copies of High Points newspapers in the clubhouse. Pick up a copy today.
