We Shall Honor the Fallen

Memorial Day is a federal holiday for remembering and honoring people who died while serving in the United States Armed Forces. This year, it is celebrated on Monday, May 27th. Check the newspapers and internet for ceremonies or phone the local American Legion to find out what's happening and when. These are excellent ways to honor the brave men and women who gave their lives. If possible, show your respect by flying the American Flag at half-staff from sunrise until noon on Memorial Day.

In addition to Memorial Day, June 6th, 2019 marks the 75th Anniversary of D-Day. The D-Day Memorial's motto in Bedford, Virginia states our sentiments best, "Commemorating Their Valor, Fidelity, and Sacrifice". The youngest D-Day veterans are now in their mid-90s; it won't be long until the last of them are gone. Please educate your family about this day in World War II. The invasion of Normandy, France was one of the largest amphibious military assaults in history. It resulted in the Allied liberation of Western Europe from Nazi Germany's control.

Oregon Legislature Anti-Gun Bills Senate Bill 978 - NOT MOVING FORWARD!

KEEP
UP THE
GOOD
WORK

Thirteen Oregon Senators refused to participate in floor sessions for days until SB 978 was withdrawn. On May 13, 2019, their efforts rewarded all of us as the Oregon Senate Leadership agreed that anti-gun legislation, including SB 978, is defeated, at least for this year. 17885 A potential ballot initiative may be introduced in 2020 and they're already working on more gun bills for next year.

THANK YOU to all of our members who attended the numerous rallies and contacted their legislators to help defeat these bills. We must all remain vigilant against these attacks on our gun rights.

Upcoming Full Auto Match

The Saturday, June 15, Full Auto Match in Bay 3 will be a downed pilot scenario loosely based on: Bat 21, Flight of the Intruder, Air America, BSG and others. Both Pistol caliber and 22lr will be run in Full Auto and Pistol Caliber Carbine classes. Elaborate course of fire will consist of multiple stages, a battlefield pick up 'old school' M-16 and short barrel shotgun (flare gun simulator), provided as part of the match. Shooters are to bring a handgun (22lr or larger). Questions about this match that starts at 10AM? Please call Mike Myhrvold at 503-359-4737.

Summertime at The Range

Summer is an exciting time of the year in Oregon. Taking trips with family and friends is a wonderful way to spend the season. As many members take this opportunity to travel, the ranges are strangely empty; generally, it is the quiet time of the year at ARPC. We do have a few events on the calendar in June and July but for the most part it's easy to find open bays. 12255 Just remember to stay hydrated while you're out here enjoying the warm weather and practicing your shooting skills.

Since this is the least used time of the year, please check the calendar prior to coming out to the range. We have a few major projects coming up and we don't want you to be disappointed when you arrive.

Volunteers Needed

We need volunteers with good safety awareness to help out at several upcoming calendar dates. You will receive work bond credit for your help with these educational and competitive events.

Archery Range - It's Baaaack!

Our 3-D Archery Range is set to open May 25th this year! We offer 14 animals in varying sizes, ranging from javelina and to bear and velociraptor. Though raptors are difficult to find in the wild, you'll have a wild time when you round the corner and see this guy! We've once again made some improvements in hopes of setting up earlier next year; this year's rains really set us back. Come on out and have some fun launching arrows on the range.

Membership Account Access

ARPC members have access to their own section of the website. In that section they can update their mailing address, email address and pay their annual renewal dues online. Our online payment feature is both safe and secure, and it is an alternative to mailing in a payment. 13400 Forgotten your login information? No problem. Just [email the office](#) and we'll send a reminder to your email address that we have on file.
