

## ARPC Saddle Butte Press July 2019 Edition

[Check Out Our Calendar of Events](#)

### Executive Board and Staff Updates

The ARPC Executive Board would like to announce some changes in the Board membership and ARPC staff titles and duties.

Marc Rocque, Executive Board President, resigned his position effective June 11, 2019, due to personal reasons. Marc faithfully served the club as President for several years and his contributions, drive, and support will be greatly missed. His dedication to the club and its future have helped get us where we are today. Marc's service is greatly appreciated and we wish him all the best.

Due to the vacancy created by Marc's resignation, the Executive Board appointed Vice President, Ben Lalonde, to President, and Jim Gallant to Vice President, filling Ben's previous position. Both new board members will serve out the current terms of their predecessors.

Brian Boesch has been named the ARPC Executive Director effective June 11, and is responsible for all the day to day ARPC management duties and direct management of the ARPC staff. Carol Fitzmorris is now the ARPC Business Manager, and Richard Matullo, continues as our Facilities Maintenance Worker.

Please join us in congratulating these individuals and supporting them in their new roles.  
Anita Huxman, Secretary

---

### Hunter Education Instructors Needed

Few things are more critical to preserving our hunting and shooting heritage than ensuring that we pass that heritage on to our youth. One way that you can help is by becoming an Oregon Department of Fish and Wildlife (ODFW) Hunter Education Instructor.

ARPC offers one of the premier locations in the state for conducting hunter education classes. A number of club members are active in teaching classes but we can always use more instructors. 4297 You do not need to lead a class to participate. We get students from all over the state. I have personally found the experience to be very rewarding and the students' top notch.

Find how you can become an instructor on the [ODFW website](#) or by calling (503) 947-6000 or (800) 720-ODFW (6339).

Feel free to contact me personally about either becoming an instructor or upcoming classes. Gordon Brown – 541-207-6793

## NOTICE

ALL GUESTS MUST  
SIGN IN EACH  
VISIT

### Signing in Your Guests

Members are aware that they may bring as many guests to the range as they like. It is a requirement that all guests sign the waiver and wear a guest badge while on ARPC property. This waiver is to be signed **EVERY TIME** a guest is brought onto the property. It is against club rules to allow them to shoot without signing the waiver each time they attend the range.

### North/East Range Closures and Range Work

Over the past few months, we have made our membership aware of a possible safety issue regarding the heights of the dirt berms between Bays 7 and 8. We have hired a contractor to remedy this situation and work on these berms will start this month. Therefore, the North and East Range Bays will experience intermittent closures, as necessary throughout the summer months, to facilitate this work. PLEASE look at the club calendar notifications prior to attending the range so that you're not surprised or disappointed when you arrive.

Also you will notice work being done on the North Range Classroom, Main Range, Clubhouse, Indoor Range and the surrounding grounds. Though access to these areas will be limited at times, there will always be an area available with signage directing you where to sign in your guests.

Thank you for your patience as we make improvements to our range.

### Looking for a Volunteer Opportunity?

ARPC sponsors two classes each month; a comprehensive combined Oregon and Utah concealed carry class and a Beginning Handgun class. These classes are open to the membership and the public. The CHL class is approximately five hours in duration, the handgun class is three hours long. Registration is online so there's no need to take care of money at the door. We're in need of a dependable person

to help with either class. This is not currently a teaching position, though there may be future opportunity for the right person. If you have time to share and are looking for a work bond opportunity, your help would be greatly appreciated. Please contact Jim Gallant at 541-740-7635 or email him at [classes@arpc.info](mailto:classes@arpc.info).

### Archery Known Distance Range

Pacific Bow Butts targets have replaced the hideous, dilapidated straw bales! Come on out and give them a try while sighting in that bow from 20-60 yards. Hunting season is just around the corner.

### Membership Account Access

ARPC members have access to their own section of the website. In that section they can update their mailing address, email address and pay their annual renewal dues online. Our online payment feature is both safe and secure, and it is an alternative to mailing in a payment. 13008 Forgotten your login information? No problem. Just [email the office](#) and we'll send a reminder to your email address that we have on file.

### 19th Annual ABC House Benefit Match and Oregon State 4H Shooting Sports Update

120 shooters attended the 19th Annual ABC House Benefit Shooting Match on Saturday, June 15, 2019. This event featured six exciting stages of fire, door prizes and a Pig Out BBQ catered lunch. It raised over \$10K for this child abuse intervention center.

We also hosted the Oregon State 4H Shooting Sports on June 17-19, 2019. Over 300 youth attended this event, accompanied by siblings and parents, to shoot pistols, rifles and archery targets. 9116 This is the largest event of its kind in the state and we are happy to be a part of it.

Thank you to our wonderful members for their patience sharing the range with these fine competitors! And thank you to all of our volunteers who make these events possible!

### GSSF Match Volunteers Still Needed

We need volunteers with good safety awareness to help out at the upcoming GSSF Match. You will receive work bond credit for your assistance with this event.

GSSF (Glock Sports Shooting Foundation) Match  
July 27th and 28th from 8 am to 5 pm

If interested, please contact Brian at [execdirector@arpc.info](mailto:execdirector@arpc.info).
