ARPC Gun & Sportsman Show September 27th and 28th, 2019

Are you looking for a fun outing with like-minded people that just might net you a nice new firearm or sports related item? Do you need ammunition? Of course, you do. You'll find these much-needed items and more at the ARPC Gun & Sportsman Show at the Linn County Expo Center in Albany. Take your pick from approximately 400 tables of guns, gun related supplies and sportsman items brought to you by vendors from throughout Oregon, Washington and a few other states. This show is free to members of ARPC; non-members pay \$7 each. Doors open on Saturday from 9AM-5PM and on Sunday from 9AM-3PM.

VOLUNTEERS - If you'd like to get some work bond time in for this event, please email Carol at office@arpc.info with the following:

Date, time and number of hours that you'd like to volunteer.

Position that you'd like to fill such as seated door monitor, roving security, front end intake stamping hands or taking cash, etc. (please include any physical limitations).

Emailed requests will be filled as first priority; phone calls will be answered as time permits. With 120 volunteers to place, it's just quicker that way folks.

Hunter Sight-in Days September 14,15,21 & 22, 2019

Hunting season is rapidly approaching! Time to break out your favorite rifles and get them ready for the various seasons. ARPC is here to help. The second and third weekend in September, ARPC will offer structured rifle sighting assistance on our Main Range. Experienced volunteers will assist members and non-members adjust their sights to make the perfect shot. This service is free of charge to ARPC members and \$5 per rifle for non-members. This community service is always appreciated by everyone who attends.

The logistics for both weekends are as follows:

The Main Range will be controlled by HSID staff from 8:00 AM until approximately 4:30 PM. The Main Range will be closed from 8:00 AM until 9:00 AM for setup. HSID staff will use the north half of the Main Range. At 9:00 AM our volunteers will open shooting on the Main Range. The south half of the range will open for regular member use at this time; targets will be provided at this south end on the 100-yard line for our members. Cease fire calls will be under the control of HSID staff only and will be called at least every two hours for target replacement. At approximately 4:00 PM, HSID staff will call a cease fire and take down their target boards. The Main Range will then return to normal operating procedures for the remainder of each day.

As ARPC members, you will experience some inconveniences during these weekends. Please be courteous and patient. This is not only a community service but also a fundraiser. We will try to maintain normal shooting as much as possible.

Sportsman's Warehouse will be onsite on Sept. 14th with a variety of products. They are also donating a pair of Vortex Diamondback binos! We will give each HSID participant, that pays to sight in their rifle, a ticket for the drawing. Winner will be drawn after the second Sunday. Come out on the 14th and check out Sportsman's great deals!

Do you need work bond hours and want to help people be responsible hunters? If you would like to volunteer for a day or more, please email Brian at execdirector@arpc.info.

Hot and Fresh Breakfast Burritos Available on Saturdays

Do you get to the range and realize that you're starving because you remembered your gun and ammo but forgot to eat? The Grasslands Cafe of Halsey has you covered! On Saturday, September 14th and 21st from 8am-12pm in the Main Range Clubhouse, Mary will be serving her fabulous sausage or bacon burritos with your choice of coffee or juice for only \$10. AND there'll be a salsa and sour cream bar for you to jazz it up however you wish! If these two days work out, she'll be on the range every Saturday, winter weather permitting. So come on out to the range with a hungry tummy, fill it with delicious food, wash your hands, and have a great day of shooting. What could be better?

North/East Range Closures and Range Work

Over the past few months, we have made our membership aware of a possible safety issue regarding the heights of the dirt berms between Bays 7 and 8. We have hired a contractor to remedy this situation and work on these berms will start this month. 46273 Therefore, the North and East Range Bays will experience intermittent closures, as necessary throughout the summer months, to facilitate this work.

Also you will notice work being done on the North Range Classroom, Main Range, Clubhouse, Indoor Range and the surrounding grounds. Though access to these areas will be limited at times, there will always be an area available with signage directing you where to sign in your guests.

Thank you for your patience as we make improvements to our range.

ARPC ANNUAL MEETING

ARPC Executive Board Openings

The ARPC Annual Meeting on Tuesday, November 19th, is quickly approaching and there are three Board positions open for election; Secretary, Executive Officer and Chief Instructor. Each of these positions is a unique role that supports the mission of ARPC. These positions guide operation and growth of ARPC to ensure we will have a superb place to shoot for years to come. The two year term positions are open to all members in good standing. The time required to be a Board member varies from month to month. Ten to thirty hours per month would be a fair estimate. The ability to prepare for and attend a monthly meeting every 2nd Tuesday evening, as well as any special meetings, is critical. If the idea of serving on the Board intrigues you, please call or contact Ben Lalonde at president@arpc.info or 541-731-3817.

Labor Day

There are a few theories as to how Labor Day first started, but they all share the same idea. The day to honor the American labor movement was first proposed in the early 1800's as a

holiday for the "laboring classes". Optimal weather and its position between already established holidays, were cited as the reasons to place it on the first Monday in September. Oregon became the first state to make Labor Day an official public holiday in 1887; an official federal holiday in 1894. Many people consider it the unofficial last day of summer. Whatever your pleasure, enjoy it with family and friends. If you're planning a trip to the range, remember your sticks and targets as the ARPC office and Pro Shop will be closed in observance on September 2nd, 2019.

Big Hairy Rats on the Range?

Tang-colored fangs and hairless tail,
Moving slowly like a whale.
It's semi-aquatic, maybe you see a beaver,
Might be tasty, shall I find a cleaver?
Low in cholesterol, just cook it like pork,
Mmm mmm tender, no knife just fork.
Nearly blind and mean as can be,
If you don't want confrontation, then FLEE!

What is it you ask? Nutria. They can weigh up to 37 lbs., be aggressive with a nasty temper, run surprisingly fast, and they are happily living on the range. Please keep yourselves, children and pets away from them. If one is particularly bothersome to you, kindly alert range staff and we will execute our nutria relocation program.

Oregon Old West Shooting Society Annual Event September 20-22, 2019

OOWSS, or Old West, as we call it, will host their 2019 Annual event at ARPC on September 20th-22nd, 2019 in Bays 8-12. They are setting up on the 18th-20th and the bays are reserved those days as well. OOWSS is Oregon's original Cowboy Action Shooting Club, established in 1989, and is dedicated to preserving the history of the Old West and promoting competitive shooting. Please stop by and experience this fun event where competitors dress in period clothing, shoot period firearms, and adopt shooting aliases like Holy Rider, Buckshot Pete and John Liver-Eating Johnson (huh, ewwwww). If you have any questions, please contact Tall Tale Harry at 503-884-2650.

Membership Account Access

ARPC members have access to their own section of the website. In that section they can update their mailing address, email address and pay their annual renewal dues online. Our online payment feature is both safe and secure, and it is an alternative to mailing in a payment.

Forgotten your login information? No problem. Just [email the office](#) and we'll send a reminder to your email address that we have on file.
