

ARPC Saddle Butte Press April 2020 Edition

[Check Out Our Calendar of
Events](#)

COVID-19 UPDATE

We hope all of you are healthy and doing what you can to mitigate exposure to this virus. ARPC is a training facility and our Range will remain in operation on a modified basis. We believe it is vital that our members and Law Enforcement Agencies have a place to train or just have a safe, relaxing place to shoot.

There are many new owners of firearms throughout our area. If you meet some of these new firearm owners please tell them about our Basic Pistol Class taught by our Chief Instructor Jim Gallant. He is limiting class size and has set up social distancing procedures so we can provide this vital training and provide a reasonable level of protection from the virus. The class costs \$40 or \$50 if you would like an Oregon Concealed Carry certificate. The next class is scheduled for April 19th. He will add classes as needed. See the calendar for signup info.

We also believe in protecting our employees. We have closed the Pro Shop and Office until further notice and will work from home as much as possible. We are sorry for the inconvenience but keeping the Range open depends on their ability to work. Dave will continue maintaining the Range. Please help protect him by giving him room to do his job. We will try to keep sticks and cardboard in the doghouse between Bays 2 and 3 for your use. Please be considerate and return the sticks to the barrel and only take as much cardboard as you need. We will provide this service as long as it doesn't get abused.

Our Disciplines will be canceled through April at the minimum.

Please remember to wash your hands often and keep six feet between you and others. It could be several more months at best before things get back to normal. We all hope it happens sooner but this is a virus that is not well understood at this time. Watch the website for updates and we will do what we can to make your visits to the Range as enjoyable as possible.

OPEN BOARD POSITION and CALL FOR CANDIDATES

Chris Fitzmorris has resigned from the ARPC Executive Officer Board Position due to personal reasons. When you see Chris around the range, please thank him for his contribution to the ARPC Executive Board.

The Executive Officer (EO) is important to maintaining and developing ARPC's facilities. Duties of the EO include attending monthly board meetings, supervising

monthly work bond, overseeing maintenance and improvement of the facilities and developing and monitoring associated budgets. This year, a critical duty for the EO will be to develop a project development process and policy. Development of this policy will help to ensure we bring the most benefit to our membership by planning and spending money on projects efficiently and with input from our membership and stakeholders.

If you are interested in volunteering for this board position to contribute to ARPC or have questions about the position, please contact me by April 15th at President@arpc.info. Selection process for candidates will begin the end of April.

Ben Lalonde
ARPC President

The Mid Valley Friends of the NRA

MEET THE RSO- A MONTHLY SEGMENT TO GET TO KNOW A LITTLE BIT ABOUT OUR GREAT VOLUNTEER RANGE SAFETY OFFICERS

Hi everybody!

My name is Crystal Hibbs and I have been a member and an RSO for a year now! Celebrating my 1 year anniversary in March 2020! I was new to shooting pistols coming into the range but had some previous experience with rifles. In my early 20's, I was a camp counselor at a YMCA camp in Michigan, where I was the Activity Director for the Rifle program. I taught kids ages 7 to 16 about firearm and range safety and how to sight and shoot a rifle. Since becoming a member at ARPC, I have taken most of the classes that have been offered to us. I have most certainly expanded both my knowledge and experience, though I still have much to learn! Outside of the range, I'm a stay at home wife who loves the outdoors! I'm super stoked to be in my second year as an RSO now and I look forward to seeing you all, on the range this year!

MESSAGE FROM THE CHIEF INSTRUCTOR

Eye protection Policy:

As the sun begins to provide us with more warmth and light, we hope to see many of you out on the range. Now, of course, if the sun is bright, and you have adequate eye protection in the way of sunglasses, then please wear them as soon as you enter the main gate. You may only remove them when in the office or classroom or clubhouse. There can be a problem when the darker glasses prevent you from seeing well during cloudy and dark days, and as a result many people remove them when shooting! Please don't be one of those people bring choices of clear lenses as well as tinted lenses so you will never need to be without eye pro. 12040 Our RSO's are still finding that not wearing eye pro on the range, especially when shooting, remains a common problem. Make sure that guests and non-shooters are also protected. We have eye pro to purchase in the range store pro shop when we reopen. Enjoy the spring shooting season!

Jim Gallant
Chief Instructor, ARPC
