COVID-19 UPDATE

Life at ARPC is slowly returning to normal but we have a ways to go. The office and Pro Shop are open 10 to 5 Monday thru Saturday. Please only one person in the Pro Shop at a time. We have primers, powder and bullets in stock. We have daily limits on these items and are reordering as product becomes available. All popular reloading components are very hard to obtain so expect shortages. Discipline Events are back on the calendar and are using social distancing guidelines. Please be patient with your fellow members as we all adjust through the summer and remember to observe social distancing guidelines while visiting the range.

Are You Missing Something?

We all forget to double check that we have all our possessions before leaving the range once in a while. Lately some items have been left that we are sure you would like back. Please go through your safes and other storage areas and check for missing items. Send an email to office@arpc.info describing your property and we will check our collection for a match. Items that are not claimed will be sold and the proceeds will go to our Junior Programs. 0624

Fox Update

The mom and six kits have expanded their home territory and are no longer hanging out on the Main Range. We do see one cruise through from time to time so please remember that all animals are protected on ARPC property. The three Northernmost shooting positions are reopened. As always, be aware of what is beyond your target and enjoy seeing the wildlife when they are out. Thanks to one of our members, Morgan, for the great picture!

The Passing of Several Prominent ARPC Members

It is with great sadness that we announce the passing of Don Arnold (pictured) and Jim Ebert.

Don was a member for 16 years. In that time he was heavily involved on the Trap Range as a Discipline Director for Trap and Junior Trap. Don also served on the Executive Board as the Executive Officer and President. He will always be remembered for his boisterous spirit and huge heart. Those of us that worked on work bond Saturday will remember the biscuits and gravy that Don's wife Connie would make for us to snack on at break time.

Jim was an ARPC member starting in 2001. He was the Full Auto Discipline Director and heavily involved in the Full Auto community. He was a regular fixture at our Gun

Shows and always a great person to talk to. Both these members will be missed.

GSSF Volunteers needed.

We are still planning on holding our GSSF match on July 25th and 26th. 9523 We are still looking for volunteers to help with the match. Along with the regular need for volunteers to run the actual match, this year we also need some volunteers to help with Covid -19 guideline support. If you can help with either aspect please email Brian @ execdirector@arpc.info Watch the website for updates in case the State guidelines get more restrictive between now and then.

Membership Account Access

We are utilizing QuickBooks Online to simplify the renewal and New Member process. This is a simple and safe system to use. We will email you an invoice. With a few simple clicks and your credit card information your dues will be paid. You will receive an emailed receipt showing your dues are paid. You can also mail us a check or pay in person. As an ARPC member you have access to your own section of the website. In that section you can update your mailing address and email address. Forgotten your login information? No problem. Just [email the office](#) and we'll send a reminder to your email address that we have on file.
