Events](#)

### COVID-19 UPDATE

Life at ARPC is slowly returning to normal but we have a ways to go. The office and Pro Shop are open 10 to 5 Monday thru Saturday. Masks are required and please only one person in the Pro Shop at a time. We have primers, powder and bullets in stock. We have daily limits on these items and are reordering as product becomes available.

All popular reloading components are very hard to obtain so expect shortages. Discipline Events are back on the calendar and are using social distancing guidelines. Please be patient with your fellow members as we all adjust through the summer and remember to observe social distancing guidelines while visiting the range.

### Are You Missing Something?

We all forget to double check that we have all our possessions before leaving the range once in a while. Lately some items have been left that we are sure you would like back. Please go through your safes and other storage areas and check for missing items. Send an email to [office@arpc.info](mailto:office@arpc.info) describing your property and we will check our collection for a match. Items that are not claimed will be sold and the proceeds will go to our Junior Programs. 11001

### GSSF Match

We held the Annual Glock Shooting Sports Foundation match on July 25th and 26th. We had over 260 participants over the weekend. It was a bit on the warm side but everyone was happy to be at a match. I thank our great volunteers for all their efforts and Dave Siria for running a smooth and well managed match.

### Hunter Sight In Days

We will hold our annual Hunter Sight In Days in September on the 12th, 13th, 19th and 20th. Cost will \$5 per firearm for non members and free for members. This event will

be held on the North half of the Main Range. The South side of the Main Range will be open for member use with some limitations. Cease fires will be controlled by the HSID staff. There will be targets stapled on the South target boards for members to use between cease fires. The range will be closed between 7 AM and 8 AM for setup. There will be Covid-19 protocols in place for the event side. Members will follow standard safe distancing guidelines. ARPC has provided this Community Service for many years. It is a great opportunity to showcase our club to potential new members and provide our fellow hunters with a rifle capable of making an ethical kill. Access to the Main Range will be through the Clubhouse Gate about 50 yards South of our Main Gate. If you come out on those weekends please be patient and show the community what a great club we have. If you would like to volunteer and pick up some work bond credit, email Brian @ [HSID Volunteer 13009](mailto:HSID Volunteer 13009)

## FALL GUN SHOW

Our Fall Gun Show is currently scheduled but current restrictions at the Expo Center are too limiting to hold a successful show. Our decision date is set for August 28th. At that time the Executive Board will review the guidelines in place and make the call. At that time we will send out a special notice of the decision. If the show is a go we will request volunteers. Please don't call to check on the status as we will let you know as soon as the decision is made. Thank you for your patience.
