[Check Out Our Calendar of Events](#)

Pro Shop/Office

The office and Pro Shop are open 10 to 5 Monday thru Saturday. We got a shipment of Small and Large Magnum Pistol Primers in. Powder is still trickling in. Bullets are in stock. We have daily limits on these items and are reordering as product becomes available. All popular reloading components are very hard to obtain so expect shortages.

Executive Board Elections

It's that time again! Three Executive Board positions are open for election in November. They are: Secretary, Chief Instructor and Executive Officer. If you are interested in running for any of these positions and are a member in good standing, send an email [here](#). Please provide your name and the position you would like to run for. Current Board members are: Secretary- Jan McDonald, Chief Instructor- Jim Gallant and Executive Officer- Jonathan Wilder. Ballots will be sent electronically and will also be available at the Annual Meeting for those who want to vote in person.

Additional Bay Approval!

Our Conditional Use Permit to add three Bays was approved by the Linn County Planning Commission on September 14th. This approval was the culmination of eight years of work by the Executive Board and staff to address both neighbor and Planning Commission concerns. We especially want to thank our closest neighbors, the Leemasters, who wrote an email not only supportive of the project but of ARPC as well. We thank them and will continue to work with them as good neighbors. We will continue excavation until the ground gets too wet and then restart in the Spring. All three Bays should be completed in mid 2023. Bay closures should be minimal during this project since our new berm on the South side of Bay 12 provides good protection.

Veterans Range Day

ARPC held an open range day on our Indoor Range for the Oregon Chapter of the Paralyzed Veterans of America on October 15th. Jim Birken volunteered to assist and the Veterans shot air rifles. They all had a good time and will be back for another range day in December. We

are proud to support these Veterans and offer them a safe and accessible range for their enjoyment

Save Yourself Some Frustration!

ARPC is one of the best ranges in the PNW. We perform a lot of maintenance on our facility to keep it that way and we need to temporarily close areas in order to safely complete these tasks. Other times there might be an emergency issue that causes a closure. Our Website calendar is our main communication conduit to you. It can literally be updated at anytime. We add events as early as possible to provide you as much advance notice as possible. Please look at the calendar immediately prior to driving to the range. This still doesn't guarantee that something won't change by the time you get here but is the safest way to avoid frustration. If we complete our work earlier than we predicted we will open the area and update the calendar accordingly.

Basic Handgun

Our Basic Handgun class at ARPC focuses on handgun familiarity and safety. There are no prerequisites for this class. The intent is to provide basic training for those with little or no shooting experience and for those who want a refresher on the basics. We have had experienced shooters with no formal training benefit from taking this class. Basic Handgun is 5 hours and participants will need a semi-auto handgun, and 50 rounds of new ammo (.380 to .45)

To register for a class please email classes@arpc.info

Safety & Basic Skills Evaluation

This is a Skills Evaluation Test to demonstrate that you possess the necessary skill level to bypass our basic classes and advance into Level 1 Handgun or AR Level 1 **THIS IS NOT AN INSTRUCTIONAL OR A TEACHING CLASS!!**

To register for a class please email classes@arpc.info

Skills Clinic

The purpose of ARPC classes is to ensure that you get the training you need to use

your firearm safely and proficiently. With this in mind, we are now offering free clinics that allow you to get additional training on a skill that was cover during the ARPC class that you passed.

To register for a class please email classes@arpc.info

Concealed Carry

In this class you will receive the training qualifying you to apply for both the Oregon Concealed Handgun License and the Utah Concealed Firearm Permit. We teach both because the Oregon permit is limited to Oregon only, so travel out of state is problematic. The Utah concealed permit covers 32+ states. What makes this course unique is that we also provide the photo, the two sets of fingerprints, the application, and an addressed and stamped envelope for the Utah license, so after class you can just drop it in the mailbox. ARPC is a non-profit organization and provides this service to the community by helping to subsidize the cost of this class.

To register for a class please email classes@arpc.info

Private lessons are available for 1 on 1 or groups of 2-3. These are billed by the hour with a 2-hour minimum.
