Work Bond is Cancelled for December 4, 2021

Pro Shop/Office

The office and Pro Shop are open 10 to 5 Monday thru Saturday. The range will be open but the Pro Shop will be closed December 24, 25, 31, and January 1. All popular reloading components are very hard to obtain so expect shortages and we have daily limits when we do have them in stock.

Jr Member Headed To Nationals!!!

Cayden Cormany, one of our 4-H Shooting Sports members, has qualified for the 4-H National Competition and is Nebraska bound next summer to represent Oregon! He is a National Qualifier for Shotgun this year. Cayden received the high score in Trap for his division. He will be competing in Trap, Skeet and Sporting Clays. He has practiced a lot and his dedication to the sport has provided him with this opportunity. We have a donation box set up in the office to help offset the expenses for the trip. If you can assist Cody please drop off your donations the next time you are at the Range. The competitors and their families are responsible for all travel expenses. We have some very dedicated volunteers at ARPC who donate hundreds of hours to help these kids. It is a blessing to be surrounded by so many dedicated competitors and volunteers! Please consider helping out if you can.

2021 Election Results

We held our Annual Meeting at the Linn County Expo Center on November 9th. It was really nice to have an open meeting again and have a chance to see everyone!

We had a raffle for a Glock Certificate for our Junior program, and door prizes ranging from Gift Cards to places like Sportsman's to Gift Certificates redeemed at the Pro Shop. Plus the cookies were particularly good this year.

The Executive Board gave their reports and answered questions from members in attendance.

Three of the six Board positions were open for election this year. This was the second year where we had electronic voting, with better turn out then last year. 425 voted electronically and 30 voted at the meeting. Jan McDonald was re-elected as Secretary, Jim Galant was re-elected as Chief Instructor, and Jonathan Wilder was re-elected as Executive Officer. There were no Amendments to the Constitution this year.

See you all at the Range!

Save Yourself Some Frustration!

ARPC is one of the best ranges in the PNW. We perform a lot of maintenance on our facility to keep it that way and we need to temporarily close areas in order to safely complete these tasks. Other times there might be an emergency issue that causes a closure. Our Website calendar is our main communication conduit to you. It can literally be updated at anytime. We add events as early as possible to provide you as much advance notice as possible. Please look at the calendar immediately prior to driving to the range. This still doesn't guarantee that something won't change by the time you get here but is the safest way to avoid frustration. If we complete our work earlier than we predicted we will open the area and update the calendar accordingly.

Basic Handgun

Our Basic Handgun class at ARPC focuses on handgun familiarity and safety. There are no prerequisites for this class. To register for a class please email classes@arpc.info

Skills Clinic

The purpose of ARPC classes is to ensure that you get the training you need to use your firearm safely and proficiently. With this in mind, we are now offering free clinics that allow you to get additional training on a skill that was cover during the ARPC class that you passed.

To register for a class please email classes@arpc.info

Concealed Carry

In this class you will receive the training qualifying you to apply for both the Oregon Concealed Handgun License and the Utah Concealed Firearm Permit. We teach both because the Oregon permit is limited to Oregon only, so travel out of state is problematic. The Utah concealed permit covers 32+ states. What makes this course unique is that we also provide the photo, the two sets of fingerprints, the application, and an addressed and stamped envelope for the Utah license, so after class you can just drop it in the mailbox. ARPC is a non-profit organization and provides this service to the community by helping to subsidize the cost of this class.

To register for a class please email classes@arpc.info
