Work Bond Cancelled for May

Work Bond is cancelled for May 6th and will resume on June 3rd.

Oregon State Shooting Association

Kerry Spurgin has done a great job of putting this website <https://www.ossa.org/> together for everyone in the gun community to read. The red anchor links at the top of the webpage will send you to information about Ballot Measure 114, 2023 legislation and how to get more involved on Gun Bills. Please check out this information and let your legislators know what you think of these.

This is good information to read and pay attention to as this is going to affect all of us.

Jr Member Headed To Nationals!!!

Hello, My name is Luke West. I am a member of the Marion County 4-H Rifle Club.

This past June at the Oregon 4-H State Competition. I placed 2nd in the Senior Division for Rimfire Rifle in NRA 3P and CMP 3P. Coming in at 2nd place, I was invited to represent Oregon National Championship in June 2023 at Grand Island, Nebraska. I am needing to raise funds to help myself and teammates to get to the National Championship. The total cost for each team members to attend the championship is approximately \$5,000. This will cover our costs for transportation, lodging, food, team gear, registration, and supplies. Any help would be greatly appreciated. I can provide you with a Tax ID for any donations. Checks can be made out to Marion 4-H Association., with a memo saying, "C/O Luke West Shooting Sports".

There is also a GoFundMe page with the link [Here](#)

Thank you for your consideration of supporting me and my fellow teammates.

ARPC High Power Rifle Clinic and Matches

ARPC's High Power rifle match season has started and the next match will be Saturday, May 20th. At 8am we will have an early bird Garand/Vintage/Military military rifle match. Following at 9am, we will have the 88 round 100 yard reduced course high power rifle match.

The high power match typically concludes around 12:30 pm.

These rifle matches are a good way to learn the basics or improve your skills of rifle shooting. The matches are un-competitive and you will score your own target. All you need for a rifle is one that can be loaded with a stripper clip, enbloc clip or detachable magazine and two clips or magazines. Rim fire shooters or those that would only like to shoot from a bench are welcome. Following each match we will have awards and recognize the shooters in each of the rifle divisions.

The match fee to cover target costs is \$2 for the CMP match and \$10 for the High power match. 30-06 ammo is available for use at the CMP match for \$20 and the High Power match for \$50.

If you are new to our rifle match or want to attend the clinic, please contact Ben Lalonde at lalonde@wvi.com.

2nd Annual ARPC Experience

ARPC is once again Sponsoring “The ARPC Experience” on June 25th, 2023. It will be a six stage match utilizing Modern Sporting Rifles and semi auto handguns. Stage composition will be 2 rifle/pistol stages, 2 USPSA style stages and 2 Speed Steel style stages. There will be 6 squads (80 slots).

Cost will be \$130 per person. A delicious catered BBQ lunch provided by Pig Out BBQ will be included. Ramiro Herrera will be the Range Master and Caleb Fisher will be the Match Director.

And once again, they have recruited support from 2A businesses and there will be many raffle prizes. These raffles are only open to shooters and staff, so your chances are good at winning a raffle. We will be selling custom Event T-Shirts to commemorate the event. Special thanks to Matt Adamson at Flint & Sage (mxadam.com) for the awesome artwork for our flyer and T-Shirts!

The Match Fees will benefit the ARPC Junior Program, Instruction Program and the General Fund.

If you would like to participate as a competitor or RO please send an email to classes@arpc.info

We are looking for ROs experienced in USPSA, Multigun or Speed Steel to help with the match. They will need to help setup and will shoot the match on Saturday and then RO a stage on Sunday. Lunch will be provided for free both days.

Basic Handgun

Our Basic Handgun class at ARPC focuses on handgun familiarity and safety. There are no prerequisites for this class. The intent is to provide basic training for those with little or no shooting experience and for those who want a refresher on the basics. We have had experienced shooters with no formal training benefit from taking this class. Basic Handgun is 5 hours and participants will need a semi-auto handgun, and 50 rounds of new ammo (.380 to .45)

Safety & Basic Skills Evaluation

This is a Skills Evaluation Test to demonstrate that you possess the necessary skill level to bypass our basic classes and advance into Level 1 Handgun or AR Level 1 **THIS IS NOT AN INSTRUCTIONAL OR A TEACHING CLASS!!**

Concealed Carry

In this class you will receive the training qualifying you to apply for both the Oregon Concealed Handgun License and the Utah Concealed Firearm Permit. We teach both because the Oregon permit is limited to Oregon only, so travel out of state is problematic. The Utah concealed permit covers 32+ states. What makes this course unique is that we also provide the photo, the two sets of fingerprints, the application, and an addressed and stamped envelope for the Utah license, so after class you can just drop it in the mailbox. ARPC is a non-profit organization and provides this service to the community by helping to subsidize the cost of this class.

Skills Clinic

The purpose of ARPC Classes is to ensure that you get the training you need to use your firearm safely and proficiently. With this in mind, we are now offering a free clinic that allows you to get additional training on one skill that was covered in the ARPC classes that you passed. One Clinic per class please.

AR Fundamentals

Our AR Fundamentals class is the first in our AR sequence and focuses on becoming familiar and learning the safety skills needed to use the AR-15 rifle in .223/5/56 caliber. We do not teach full auto or other Modern Sporting Rifles (MSR) in this class. Those wishing to learn about other platforms or calibers of MSR's can request private instruction from our lead rifle instructor.

Trauma First Aid

This is a First Aid Class that will cover common injuries but includes more on the type of injuries you might see while participating in shooting sports. This is a hands-on class and may use a pig's shoulder as a teaching aid. As an added bonus, you will receive a CPR, AED, and Basic First Aid Certificate Card at no extra charge.

Cleaning Class

Shooting is fun, cleaning generally is not! But it is a necessary part of firearms knowledge and safety. This class is intended for any firearm owner to better learn how to clean their specific gun, whether it be a handgun, rifle, or shotgun. There is no one correct way to clean, as individual preferences abound. The purpose of this class is to expose the student to different methods of cleaning, from the use of solvents, lubricants, gun oils, CLP, ultrasonic cleaners, air compressors, and don't forget your old toothbrush! Bring your gun(s) and learn from experienced instructors. Bring whatever supplies you ordinarily use. If you have never cleaned a gun before or have no supplies, no worry, this class will help you decide what you do need to clean your gun. We will have supplies to borrow and use for students without their own.
