New Chief Instructor

My name is Forrest Schoening. I was recently appointed as the interim Chief Instructor here at ARPC so I wanted to take a moment to introduce myself, and let you know a little bit about my background. I recently retired from the Federal Bureau of Investigation after a twenty-year career as a Special Agent. Prior to the Bureau, I served on active duty for several years in the United States Marine Corps, first as an enlisted Marine, and then as a commissioned officer.

During my time in the Bureau, I had the opportunity to teach firearms and tactics to not only Bureau agents, but to agents from other Federal agencies, as well as to state and local police officers from departments across the United States. Seeing an agent's or officer's firearms skills and self-confidence improve was one of my favorite aspects of the job. I look forward to continuing that great sense of satisfaction here at ARPC through the club's training program.

Please feel free to give me a shout or send me an e-mail if you have any questions or concerns, or if you just want to chat about anything.

I would also like to take this chance to give a shout out to the class and discipline instructors, the coaches, and the Range Safety Officers. The training and safety programs here at ARPC could not exist without you - thanks for dedicating your time and effort here at ARPC, you are appreciated!

Very Respectfully,
Forrest Schoening
503-580-2369
CI@arpc.info

3D Archery Range is now open!!!

The known distance Archery Range is now all mowed and the 3D range is all set up!

Oregon State Shooting Association

Kerry Spurgin has done a great job of putting this website <https://www.ossa.org/> together for everyone in the gun community to read. The red anchor links at the top of the webpage will send you to information about Ballot Measure 114, 2023 legislation and how to get more involved on Gun Bills. Please check out this information and let your legislators know what you think of these.

This is good information to read and pay attention to as this is going to affect all of us.

Service Dog Training for Veterans

There will be a group walking around with some Service Dogs in training for Veterans. Their goal is to desensitize them to loud noises. For more information please check out their website at <https://www.joydogs.org/>

The Joys of Living Assistance Dogs (JLAD) proudly places fully trained service dogs with veterans and civilians to mitigate mobility and PTSD related disabilities. To better serve our veterans we want to expose our dogs to loud, startling sounds to help desensitize them to such noises. A shooting range is a perfectly controlled environment to train this process. Gun fire sounds can mimic the backfire from cars, fireworks, and other loud noises. JLAD is all about preparing our dogs to remain calm and recover quickly when surprised by intense sounds. Only then can they be available to calm and help their person process a frightful situation.

Jr Member Headed To Nationals!!!

Hello, My name is Luke West. I am a member of the Marion County 4-H Rifle Club.

This past June at the Oregon 4-H State Competition. I placed 2nd in the Senior Division for Rimfire Rifle in NRA 3P and CMP 3P. Coming in at 2nd place, I was invited to represent Oregon National Championship in June 2023 at Grand Island, Nebraska. I am needing to raise funds to help myself and teammates to get to the National Championship. The total cost for each team members to attend the championship is approximately \$5,000. This will cover our costs for transportation, lodging, food, team gear, registration, and supplies. Any help would be greatly appreciated. I can provide you with a Tax ID for any donations. Checks can be made out to Marion 4-H Association., with a memo saying, "C/O Luke West Shooting Sports".

There is also a GoFundMe page with the link [Here](#)

Thank you for your consideration of supporting me and my fellow teammates.

Hunter Education

Gordon Brown, the ODFW Hunter Safety Education Instructor is in need of another instructors to help with ODFW Hunter Safety Education classes that we hold out here at ARPC. It is a critically important youth program that ODFW puts on. Currently, there is a backlog of kids looking to get through this program and not enough instructors to help hold it. If you are able to help please contact him directly. Gordon's email is dirtcampers@msn.com

Oregon 4H State Contest

From June 19 to June 21, 4H is having their State Contest on site and we are looking for RO's to assist with this event.

Please note that this will not count towards your RSO obligation if you are in the Range Safety Officer Program, but it will count for Work Bond if you are not.

If you would like to volunteer to be an RO for this event, email Brian Boesch at execdirector@arpc.info

2nd Annual ARPC Experience

ARPC is once again Sponsoring “The ARPC Experience” on June 25th, 2023. It will be a six stage match utilizing Modern Sporting Rifles and semi auto handguns. Stage composition will be 2 rifle/pistol stages, 2 USPSA style stages and 2 Speed Steel style stages. There will be 6 squads (80 slots).

Cost will be \$130 per person. A delicious catered BBQ lunch provided by Pig Out BBQ will be included. Ramiro Herrera will be the Range Master and Brian Boesch will be the Match Director.

And once again, they have recruited support from 2A businesses and there will be many raffle prizes. These raffles are only open to shooters and staff, so your chances are good at winning a raffle. We will be selling custom Event T-Shirts to commemorate the event. Special thanks to Matt Adamson at Flint & Sage (mxadam.com) for the awesome artwork for our flyer and T-Shirts!

The Match Fees will benefit the ARPC Junior Program, Instruction Program and the General Fund.

If you would like to participate as a competitor or RO please send an email to classes@arpc.info

We are looking for ROs experienced in USPSA, Multigun or Speed Steel to help with the match. They will need to help setup and will shoot the match on Saturday and then RO a stage on Sunday. Lunch will be provided for free both days.

Funshoot Fundraiser

June 24th, 2023. Paralyzed Veterans of America is having a Funshoot Fundraiser at the Albany Gun Club located off of Hwy 20 SE. The cost of the event is \$5 per game. All proceeds support the Tri-State Sports program. There will be raffle prizes and is a family friendly event. Open to the general public. Registration begins at 9am and the Trap Event is from 10am to 4pm.

Range Safety Officers Needed

The mission of the RSO program is to provide trained volunteer RSOs to monitor members and guests using the ARPC facilities. To that end, we are budgeted a certain number of RSOs and are in need of a few more to cover scheduled range patrols. The requirements to becoming an RSO are being member in good standing, pass an interview with the RSO Manager, pass the RSO test, and complete a training session, also with the RSO Manager. The RSO test will be given orally during the training session.

If you are interested or wish to know more of the requirements, contact Lou Thelen, the RSO Manager, at rso.mgr@arpc.info or text him at 541-760-1792

Thank you

GSSF Match in July

ARPC is once again hosting the Glock Shooting Sports annual competition Saturday and Sunday July 22nd & 23rd. This is an event where you can shoot all your Glocks in different categories. If you are unfamiliar with this event please check this link for more information [HERE](#)

You will need to join GSSF and you can do that ahead of time or at the match.

We are also looking for ROs and other volunteers to help run the match. You will be in the drawing for a Glock pistol certificate. We will provide a lunch for each day you work as well. We will give you time to shoot the match so you don't miss out on the competition.

Please note that this event will not count towards your RSO obligation if you are in the Range Safety Officer Program, but it will count for Work Bond if you are not. If interested in helping out please email Brian at execdirector@arpc.info

ARPC Range Day

This will be our Q3 Range day and we are looking forward to seeing everyone out there. The range day will consist of 8 different drills with a mixture of pistol and rifle drills. Our goal is to expose you to new types of training while giving you new skills, that you can take home to add in your range days. The Q3 Range day will end with a fun session of speed steel and a friendly single elimination dueling tree competition. Our winner of the dueling tree gets to take home the walking trophy that's held till next range day. Any skill level is welcome and you do not need to be a member to join, but there is required equipment to attend.

See our ARPC calendar on July 30, 2023 for details.

Event Fee is \$50 per person.

To Register, email Classes@arpc.info

ARPC Classes in June

Safety & Basic Skills Evaluation: June 1

Basic Handgun: June 4

Skills Clinic: June 8 (AR Only)

Indoor Range Class: June 10

First Week of July Classes:

Basic Handgun: July 2

Safety & Basic Skills Evaluation: July 6

Indoor Range Class: July 8

Concealed Carry: July 8

Private Instruction: Times to be determined on an individual basis

Please check out our calendar for more information regarding our classes.

To register for a class please email classes@arpc.info

Basic Handgun

Our Basic Handgun class at ARPC focuses on handgun familiarity and safety. There are no prerequisites for this class. The intent is to provide basic training for those with little or no shooting experience and for those who want a refresher on the basics. We have had experienced shooters with no formal training benefit from taking this class. Basic Handgun is 5 hours and participants will need a semi-auto handgun, and 50 rounds of new ammo (.380 to .45)

Safety & Basic Skills Evaluation

This is a Skills Evaluation Test to demonstrate that you possess the necessary skill level to bypass our basic classes and advance into Level 1 Handgun or AR Level 1 **THIS IS NOT AN INSTRUCTIONAL OR A TEACHING CLASS!!**

Concealed Carry

In this class you will receive the training qualifying you to apply for both the Oregon Concealed Handgun License and the Utah Concealed Firearm Permit. We teach both because the Oregon permit is limited to Oregon only, so travel out of state is problematic. The Utah concealed permit covers 32+ states. What makes this course unique is that we also provide the photo, the two sets of fingerprints, the application, and an addressed and stamped envelope for the Utah license, so after class you can just drop it in the mailbox. ARPC is a non-profit organization and provides this service to the community by helping to subsidize the cost of this class.

Skills Clinic

The purpose of ARPC Classes is to ensure that you get the training you need to use your firearm safely and proficiently. With this in mind, we are now offering a free clinic that allows you to get additional training on one skill that was covered in the ARPC classes that you passed. One Clinic per class please.

AR Fundamentals

Our AR Fundamentals class is the first in our AR sequence and focuses on becoming familiar and learning the safety skills needed to use the AR-15 rifle in .223/5/56 caliber. We do not teach full auto or other Modern Sporting Rifles (MSR) in this class. Those wishing to learn about other platforms or calibers of MSR's can request private instruction from our lead rifle instructor.

Trauma First Aid

This is a First Aid Class that will cover common injuries but includes more on the type of injuries you might see while participating in shooting sports. This is a hands-on class and may use a pig's shoulder as a teaching aid. As an added bonus, you will receive a CPR, AED, and Basic First Aid Certificate Card at no extra charge.

Cleaning Class

Shooting is fun, cleaning generally is not! But it is a necessary part of firearms knowledge and safety. This class is intended for any firearm owner to better learn how to clean their specific gun, whether it be a handgun, rifle, or shotgun. There is no one correct way to clean, as individual preferences abound. The purpose of this class is to

expose the student to different methods of cleaning, from the use of solvents, lubricants, gun oils, CLP, ultrasonic cleaners, air compressors, and don't forget your old toothbrush! Bring your gun(s) and learn from experienced instructors. Bring whatever supplies you ordinarily use. If you have never cleaned a gun before or have no supplies, no worry, this class will help you decide what you do need to clean your gun. We will have supplies to borrow and use for students without their own.

Level 1 Classes

AR Level 1

This class is the next level above our AR Fundamentals class and will build on the skills and knowledge covered in that class. The prerequisite is either ARPC's AR Fundamentals or our Safety & Basic Skill Evaluation. AR Level 1 will be 6 hours and participants will need to bring an AR-15 (.223 or 5.56), 100 rounds of new ammo, and at least 2 Mags holding 10 or more rounds.

Handgun Level 1

This is the next level above our Basic Handgun class and will build on the skills and knowledge covered in that class. The prerequisite is either Basic Handgun Class or our Safety & Basic Skill Evaluation. Level 1 Handgun will be 6 hours and participants will need to bring a semi-auto handgun (.380 to .45), 100 rounds of new ammo, and an outside the waist holster.

Level 2 Classes

AR Level 2

This is the 3rd class in the ARPC AR sequence. The prerequisite is successful completion of AR Level 1. We will build on the skills and the knowledge covered in the previous classes. AR Level 2 will be 6 hours and participants will need to bring a AR-15, 200 rounds of new ammo either .223 or 5.56 (no reloads, armor piercing, or green tip), at least 2 mags holding 10 or more rounds, and a mag pouches are required.

Level 2 Handgun

Level 2 handgun is the 3rd class in the ARPC handgun sequence. We will build on the skills and the knowledge covered in the previous classes. The prerequisite is successful completion of Level 1 Handgun. Level 2 Handgun will be 6 hours and participants will need to bring a semi-auto handgun (.380 to .45) or a revolver, 200 rounds of new ammo (no reloads), and outside the waist holster, and a speed reloader if using a revolver.

Newsletter Classifieds Policy

All Sale/Wanted Items are on a monthly basis. If you wish to place an ad or have your ad continue to run , you will have to inform us either by email (frontoffice@arpc.info) or in-person no later than the 25th of each month. **NO PICTURES.**
